

Activity Share: **Earth Sensory Bag Art**

Age group: **Toddlers-Preschoolers**

Materials Needed:

- Paper plate, or paper cut into circle
- Blue & Green paint
- Ziploc bag (gallon size)

Click on image to take you to the step-by-step video ➔

If possible, try to use recycled paper and a recycled Ziploc bag.

Talk to your child about what the blue (ocean) & green (land) represent on their Earth. Ask them what animals live in the ocean vs. animals that live on land.
