

Activity Share: **Garden Sensory Bin**

Age group: **Toddler/ Preschool**

You will need:

- A container of your choice such as a shallow storage container or a bus bin (can both be found at a dollar store)
- Dirt
- Faux flowers (can also be found at a dollar store)
- Shovels
- Cups, containers, or small pots

Add the materials to the container and invite your child to explore! Narrate what your child is doing and ask questions to prompt their thinking.

Sensory bins promote:

Exploration
Dramatic Play
Fine motor skills
Vocabulary skills
