

Child Group Time Session

“Hello Everybody”

Music written by Bev Bos

Sung by Cathy Higa

The Words to this song are:

Hello, Everybody, we’re so glad to see you.

Hello, Everybody, we’re so glad to see you.

Hello to child’s name, we’re so glad to see you.

Hello to child’s name, we’re so glad to see you.

The children at our center love to sing and it is even more special when their name is in the song! This is a photo of a guest guitarist that visited us. [Click the photo above to hear Cathy sing the Hello Everybody song.](#)
