DRDP Measure: Number Sense of Quantity

Age Group: Toddlers and Preschool

Ice Cream Counting Cards

This activity encourages children to use number names and identify quantities. It also encourages fine motor skills and one to one correspondence.

Here is the link for the counting cards:

Materials

Pom-Poms, Tongs, Counting Cards

Directions

Have child use tongs to pick up the pom-pom and place on circles of counting cards

Here is another variation of the activity to make it a little bit more challenging.
