### “Little White Duck”

Sing along with me to  
“Little White Duck” By Raffi

There's a little white duck sitting in  
the water... quack, quack, quack

There's a little green frog hopping  
in the water... ribbit, ribbit, ribbit

There's a little black bug floating  
in the water... buzz, buzz, buzz

There's a little red snake sliding in  
the water... Sss, sss, sss
