

## Activity Share: **Mystery Box**

Age group: **Toddler-Preschoolers**

### Materials Needed:

- Recycled tissue box or any recycled box
- Small Items

### Directions:

- Have your child decorate their box any way they'd like. Have them place an item in the box and think of clues as to what is inside. Trade turns!

Example: Lemon

*"It is yellow."*

*"It grows on a tree."*

*"It tastes sour."*

Mystery boxes and guessing games are a fun way for children to use a variety of their 5 senses and sensory skills. Furthermore, it encourages language development and descriptive language which helps build vocabulary.
