**Activity Share:** Sunshine Prints!

**Age group:** Toddler & Preschool

---

**Sunshine Activities:**

1. **Handprint sun:** help your child to paint their hands and then place them on the paper in a circle formation.

2. **Paper plate sun:** you can cut rays out of a paper plate and then have your child color or paint on the plate to make it look like a sun.

3. **Toilet paper roll suns:** cut slits in the toilet paper rolls and then bend them back, dip into yellow paint and then make prints on paper.

4. **Fork painted suns:** have your child use a fork, dip it in paint and make a bunch of prints around a colored circle.
