

## Activity Share: **Water Painting**

Age group: Toddlers and Preschool

### Materials:

- Paintbrushes
- Small cups
- Water
- Cotton balls
- Construction paper

### Directions:

#### Outdoor painting:

- fill small cup with water
- have child use paintbrush to paint the sidewalk or any surface that is water safe.
- Observe how the picture disappears as the water evaporates.

#### Painting on paper:

- fill small cup with water
- have child use paintbrushes or cotton balls to paint on construction paper.
- Observe how the color changes when water is applied.
- You can also set the paper to dry in the sun and observe what happens to the paper once it is dried.
