

Activity Share: **Heart Watercolor Art**

Age group: **Toddler/ Preschool**

You will need:

- A coffee filter or newspaper
- Watercolors or food coloring

Cut a heart shape out of the coffee filter or newspaper. Allow your child to paint with various colors of watercolor.

♥ Try this!

Use these for Valentine Cards for friends and family!

You can even string all of your child's artwork together to make a festive garland!

Use a coffee filter or recycle your newspaper!

DIY watercolor:

- Use a couple of drops of food coloring in water.
This could stain clothes
- OR
- Save dried out markers! Put similar shades of markers into separate jars with water (blues together, reds, etc.). Let them sit for a few days by a window. Once the water is dark, they are ready to use!
