Water Protector Pledge

We Are Water Protectors is a book inspired by the many Indigenous-led movements across North America. **We Are Water Protectors** issues an urgent rallying cry to safeguard the Earth's water from harm and corruption—a bold and lyrical picture book written by Carole Lindstrom and vibrantly illustrated by Michaela Goade.

*Water is the first medicine.
It affects and connects us all . . .*

When a black snake threatens to destroy the Earth
And poison her people's water, one young water
protector
Takes a stand to defend Earth's most sacred
resource.

EARTH STEWARD AND WATER PROTECTOR PLEDGE

I will do my best to honor Mother Earth
and all its living beings, including the water
and land. I will always remember to treat the
Earth as I would like to be treated.

I will treat . . .
the winged ones,
the crawling ones,
the four-legged,
the two-legged,
the plants, trees, rivers, lakes,
the Earth with kindness and respect.

I pledge to make this world a better place by
being a steward of the
Earth and a protector of the water.
