Public Speaking Time must be scheduled before any Business items are considered. Public Speaking Time may be extended by a ruling of the Chair of the TSC Board of Trustees/sub-committee or by an action of the TSC Board of Trustees/sub-committee. Public Speaking Time is set aside for the use of members of the campus community alone, except by special petition to the Chair.

No other items shall be considered in the closed meetings. Immediately after any closed meeting it must reconvene into a public regular meeting prior to adjournment and make disclosure of what actions, if any, were taken in the closed meeting.

11. EMERGENCY SITUATIONS AND EMERGENCY MEETINGS
Action and/or discussion may be taken on an item not appearing on the posted agenda during a regular or special meeting of the TSC Board of Trustees only upon a determination by the TSC Board of Trustees that an emergency situation exists, pursuant to Education Code section 89305.5;

An “emergency situation” applies only when:

- A work stoppage, or other activity which severely impairs public health, safety, or both exists;
- A crippling disaster that severely impairs public health, safety, or both has occurred.

To determine that an emergency situation exists, two-thirds of the total TSC Board of Trustees membership (or if quorum is established, but less than two-thirds are present, a unanimous decision of the members present is necessary) agrees that one of the criteria exists, and that emergency action should be taken. The need for such action must have come to the attention of the Board of Trustees after the agenda for the meeting was posted. In the event of an emergency situation, an emergency meeting of the TSC Board of Trustees may also be called.

A minimum of one hour’s notice shall be provided before such a meeting is called to order. The criteria for when such a meeting may be called will be identical to that of part 1(a) above, and it must be called by petition of a majority of the membership of the TSC Board of Trustees. If any forms of communication are functioning, the Chair (or designee) shall attempt to contact every member of the TSC Board of Trustees,
using the most recent contact list available, of the meeting time, location, and topic. The Chair (or designee) will also perform their due diligence to inform the public, in any way possible, of the meeting.

If no forms of communication are functioning, this subsection is waived, and all persons must instead be notified as soon as possible after the meeting, of the purpose and action taken (if any) at the meeting. After any emergency meeting, the minutes of the meeting will be publicly posted for a minimum of ten days. Included in the minutes will be a list of the persons and organizations that the Chair (or designee) successfully notified, or attempted to notify. Also, a copy of actions taken (if any) and roll call vote(s) taken will be included. Under no circumstances may the TSC Board of Trustees meet in a closed session under discussion of an emergency matter, whether during a regular, special, or emergency meeting.

Happy Monday ASI team! Hope you all enjoyed your 3 day weekend. Fourth week of Spring semester done!
Governance

This week: Items are tentative......the official/final Governance agenda has not been sent out

a.) Action: A Resolution Approving the Process for the ASI Strategic plan
   - The committee will consider approving the process for the strategic plan

b.) Action: Changes to Policy Concerning Board of Directors Operations
   - The committee will discuss consider approving changes to policy concerning Board of Directors
     Operations

c.) Discussion: The Resolution Process
   - The committee will receive information on creating, collaborating on, and passing resolutions

Last week:

a.) Discussion: ASI Bylaws
   - The Committee discussed potential revisions to ASI Bylaws
   - We might need to add one more position to the board which will be Vice Chair. This is due to
     legal reasons. So, the position would look like this; Chair, Vice Chair, Secretary, Treasurer. The
     Secretary would chair Governance and the treasurer would chair Finance. The Vice Chair would
     assist the Chair and would also chair the Children’s Center committee. Financial award amount
     & full responsibilities are still being developed.
   - We also discussed the process of removing an exec member. Kayleigh said she has talked to the
     current exec members to let them know what this process would look like. Currently, in the
     bylaws, only the ASI President may remove an exec member. Beginning next term, he board
     would also be allowed to do the same. However, it would be a longer process for the board. I
     should have more info on this in my next report.

b.) Discussion: A Resolution Approving the Process for the ASI Strategic plan
   - The committee discussed the process of developing the ASI strategic plan

♦ Leadership Stuff

➢ This weekend I attended CSSA with Meghan, Ana, John, Isaac, & Mansi.
➢ Thank you Meghan, for allowing me to come.
➢ IMPORTANT: This weekend, I connected with the CSSA President and I talked to her
   about my goal to make our BOD meetings more accessible by having them recorded
   and/or live streamed. She shared with me that at SAC State, the meetings are recorded,
   include captions, and are posted online by IT. They have been doing this for a very long
   time and can’t understand why our attorney stated, we could not record and leave videos
   on the website. SAC State records and leaves them on their site so students can access
   them, but they also use them as training for future directors, so the directors know what
to expect once they are elected. Furthermore, the videos help students wanting to apply for candidacy, learn what BOD meetings entail and this helps them decide if they want to run or not. Afterwards, I connected with the SAC State ASI President and he said having the videos posted online is very convenient for the students. They even have a comment section, so students can leave comments on each video. The website is being revamped to make it more friendly for students. I couldn’t find the BOD videos at first, but he helped me find them, so I am posting the link below for your convenience. I have emailed Dave and Keya to let them know that I really want to push for this. We now have a campus we can use as an example and I hope this project is finalized ASAP.

Looking forward to seeing you all at our BOD meeting tomorrow.
