UNFINISHED BUSINESS

Information: Policy Concerning Composition and Duties of Commissions

The Board received information regarding ASI Policy Concerning Composition and Duties of Commissions. Torres yielded to Linares to review the policy and discussion from the Governance Committee.

Linares shared an overview and asked Carol McDoniel, ASI Director of Administration to review a presentation highlighting changes to the policy. A copy of the presentation is attached to the minutes.

Torres opened the floor to questions. There were no questions.

NEW BUSINESS

Action: ASI Resolution to Establish a Chief Inclusion and Diversity Officer

BOD 045 18/19 (Governance) A motion was brought to the Board from the Governance Committee to approve ASI Resolution to Establish a Chief Inclusion and Diversity Officer position.

Torres asked Linares to provide an overview of the resolution. Linares shared the resolution was drafted by Baker and Quinones. She yielded to Baker and Quinones to share any information.

Baker shared the CIDO is not an uncommon position, and that 16 other CSU campuses has a similar officer position. Quinones shared the main purpose is to be involved. Anytime there is an opportunity for students to be involved in this type of position, it adds benefits for the campus and ASI.

Torres opened the floor to questions. There were no questions.

Torres opened the floor to discussion.

Mumford issued a friendly amendment to strike the word “current” under the first resolved. There were no objections.

Abu-Elhaija stated that the definition of Social Justice should reflect the higher education definition. Quinones agreed and was unsure as to how to amend the definition. Baker shared they had a definition that she would like to recommend. Aldazabal shared the team felt that the current definition spoke to what the team was talking about for the position. Quinones shared a definition from NASPA. (Abu-Elhaija-m/La Scala-s) Abu-Elhaija made amendment #32 to motion BOD 045 18/19 to change the social justice definition to read “social justice is defined as both a process and a goal and includes the knowledge, skills, and dispositions needed to create learning environments that foster equitable participation of all groups and seeks to address issues of oppression, privilege, and power.” Edwards asked if there was the source to include and Quinones shared it came from NASPA. Torres asked if there were any objections to moving to a roll call vote on the amendment. There were no objections. Amendment #32 to motion BOD 045 18/19 passed with a 17-0-0 roll call vote.
Linares suggested changing the name from Chief Inclusion and Diversity Officer to Chief Inclusion and Diversity Facilitator. Aldazabal shared that the name should stay as officer just as the same to not make them different from others. Aldazabal shared that next fall the teams should be reviewed by the President and the Executives should review all of the positions and the names to keep consistency. Linares shared the change would be to reflect the community that the position would be reaching out to. Ansari shared they are not disagreeing with the change, just hesitant to make this change without additional conversation. Ansari shared they want to have a thorough conversation about it. Abu-Elhaija shared that the resolution is focusing on getting a person in to establish the roles. Names should have a further discussion.

Abu-Elhaija shared comments relating to the position being more of a para-professional role. She is reluctant to see this role as a student leader. Hesgard shared she struggles with that sentiment, it seems they are stating that they do not have adequate support from para-professionals and professional staff. Need more conversation. Abu-Elhaija shared her concern comes if this is the point person for Social Justice. La Scala shared she looked at the position as a liaison between all communities. It is a legacy that is moving forward. She agreed with Maria in evaluating/changing the title.

Baker shared she thinks it’s important to address the name whether now or in the future. The title is important. Torres shared they could possibly reach out to students. Linares made amendment #33 to motion BOD 045 18/19 was made and seconded to change the title from Chief Inclusion Diversity Officer to Chief Inclusion Diversity Facilitator. La Scala seconded the amendment. Torres opened the floor to discussion on the amendment. Aldazabal shared she feels they should have more discussion. They should pass the resolution with the position as officer to keep consistency with all other Exec positions, and talk about the title in the future. Hesgard shared this could impact the effectiveness of the work of the position. Could cause confusion with campus partners. Should reach out to campus community for more information. Linares shared she does not think the title of officer provides any additional respect or detriment to their work. If the person puts the work in it will be fine. Torres shared it seems the BOD agrees that this can change, but there is disagreement about what word to use. Aldazabal shared there is respect from communities they are working for, and execs behind the scene. She agrees they will earn respect through work, and she was talking more about the back-end. Rodriguez asked why they chose the word facilitator over other titles. Linares shared they thought of other words, like leader, but the person is not leading. They are doing more facilitating of the work. Officer could be triggering to some communities. Quinones shared he is open to the name change, but asked for the feedback received from students. Linares shared she talked to MECHA, Able Advocators, SQE, and Student Psychological Center. She shared that she did not go out to do research. Torres asked to move to roll call vote on motion to amend the name. Voting yes, means to change the title from officer to facilitator, voting no would not. Amendment #33 to motion BOD 045 was lost with a 5-8-4 roll call vote.

Torres opened the floor to discussion on the Resolution. There was no further discussion.

Torres asked if there were any objections to moving to a roll call vote. There were no objections.

BOD 045 18/19 (Governance) MSC: 16-1-0 The motion passed.
Action: ASI Policy Concerning Executive Officers Operations

BOD 046 18/19 (Governance) A motion was brought to the Board from the Governance Committee to approve ASI Policy Concerning Executive Officers Operations.

Torres yielded to Linares to provide an overview of the policy. Linares shared an overview and yielded to Carol McDoniel, ASI Director of Administration to review a presentation regarding the policy. The presentation is attached to the minutes.

Torres opened the floor to questions. There were none.

Torres opened the floor to discussion. There was no discussion.

Torres asked if there were any objections to moving to a roll call vote. There were no objections.

BOD 046 18/19 (Governance) MSC: 17-0-0 The motion passed.

Action: ASI Leadership Training Plan

BOD 047 18/19 (Sherman-m/Linares-s) A motion was made and seconded to approve ASI Leadership Training Plan for the 2019-2020 year.

Torres yielded to Drew Wiley, ASI Leader and Program Development Director to provide an overview of the plan. Wiley shared an overview of the plan for the coming year. Hoping to get feedback and approval for the plan. A copy of the plan documents are attached to the minutes.

Torres opened the floor to questions.

Linares asked if there would be a presentation from DSS to the student leaders. Wiley shared they would include it as part of the training and part of the Social Justice training.

La Scala shared the plan looks well organized and asked if this is the most changed transition process. Wiley shared it is the most structured transition process.

Rodriguez shared concerns about the Health and Wellness support process and shared concerns that student leader training not take precedence over students who need help from CAPS/Student Wellness, since that has been an issue. Wiley shared they are in contact with Student Wellness/CAPS. La Scala shared CAPS has a new way to schedule, and explained the new process. You call the day of at 7:30 a.m. and appointments are made two weeks out.

Torres opened the floor to discussion.

Torres shared he is excited about the training plan/program.

Torres asked if there were any objections to moving to a roll call vote. There were no objections.

Welcome to your ASI Leadership Position!

We are excited to welcome you to your newly elected or appointed position for next year in ASI Leadership. Your position term officially begins on June 1st, but between now and then we have a lot to do to transition you into your role and set you up for success. This guide will help in that process. Please review and use this guide and the activities within as we progress through the transition process.

Your Role as a Student Leader
Consider these ideas as you begin and progress through your leadership position. These can often be invaluable as the year unfolds and you experience your leadership.

1. Learn and understand your responsibilities and expectations as leader.
2. Familiarize yourself with your advisor(s). Your advisor(s) will be a constant contact for you and your team/group throughout the year; be sure to have a clear understanding of their role and duties.
3. Work on the morale of your team/group. Unless they feel good about their involvement and role, your team/group members will not be as cooperative and productive as they can be.
4. Promote team/group cohesiveness. Ensure that all leaders work well together and that they feel as though they belong and are important to the team/group and ASI.
5. Let your team/group determine its vision.
6. Share decision-making. By emphasizing how to solve problems, and involving your team/group in these decisions, you will create deeper commitment in your members.
7. Emphasize the process for working through problems rather than the final result. Your desired results may change as your team/group changes. An open channel of communication that involves everyone in the team/group will help you incorporate these changes.
8. Encourage brainstorming and creativity. Provide feedback and support for new ideas and avoid penalizing for mistakes made for the sake of experimentation.
9. Expect any changes to be accepted gradually. Sometimes we expect people to accept changes overnight that we have been thinking about for months. Remember that it is almost impossible to change people; they usually must change themselves.
10. Have faith and confidence in the ability of your team/group. Enjoy serving as a leader and understand the vision of your team/group.
11. Share the glory. You cannot expect enthusiastic participation if you take all the credit.
12. Be open to collaborative programs/activities with other teams/groups. Branch out to others.
14. Be impartial. Play no favorites and give all group members equal chance to participate.
15. Manage conflict, do not ignore it. Bring conflict into the open and concentrate on issues, behaviors, and facts rather than personalities.
Transition Process
Transitioning is an important process that involves both outgoing and incoming leaders. It is the process through which next year is set up for the most success possible. The process involves both individual and group activities and meetings.

Planning and Goal Setting

Incoming Leader Reflection and Brainstorming

Before you begin planning and goal setting with your team/group, you may benefit personally by developing your own ideas and personal goals. The goals may vary in terms of being long or short in range. Some things you may want to think about for yourself might be: the tone you would like to create in your team/group, the reputation you want to have as a leader, new ideas, personal growth ideas, the people you will be working with, budgeting, leadership training, etc.

Begin your own process now by brainstorming for possibilities of what you would like to be about during the upcoming year.

Things I want to do starting right now: (Be specific - how, when, where)

Things I want to get started on soon: (when?)

How do you get started? Is there anything you can do before tomorrow? What specifically?

What can you realistically have accomplished one-week from today? One-month?

Which ideas or goals seem most important to you?

Considerations:
Are your ideas and goals consistent with your understanding of the purpose of the team/group?
Will the members of your team/group agree with or like your goals? Check with them.
Are you being realistic? Can you accomplish your goals during your time as a leader?
Do you have the skills and resources necessary to accomplish your goals? Who else can help you?
**Strategic Planning**
After new leaders have been elected or appointed, it will soon be time for the team/group to start planning for how it wants the next year to play out. This type of planning helps teams/groups to understand their vision and purpose, determine what they want to accomplish and how they will do so. To develop this kind of plan requires two components:
1. Develop a vision for the next year
2. Develop goals that will lead to actualization of the vision

**Vision Statement**
A vision statement outlines what the team/group wants to be, or how it wants the world in which it operates to be; it concentrates on the future; it is a source of inspiration; it provides clear decision-making criteria.

Vision statements should be short, functional, and inspirational. Anyone who reads your vision statement should easily understand where you want the organization to be in a year.

**Samples**
- To educate CSUF students about issues that impact them.
- To promote collaboration and intentionality through student events.

Use the space provided to develop your vision for the upcoming year.
Goal Setting

What are goals?
- A desired future condition.
- Expressed in either quantitative or qualitative terms.
- Measurable outcomes of organization’s activity.

Why are goals important?
- Goals are guides for action; it is through group goals that the efforts of group members are planned and coordinated.
- Conflicts among members are resolved on the basis of what assists the organization in achieving its goals.
- Setting goals gives you an opportunity to review and evaluate what has been done and discuss problems.
- Goals provide a benchmark against which progress can be assessed.
- Goals provide targets toward which efforts can be directed.
- Goals are the motivating force in the behavior of group members. Without motivation, the group takes no action to achieve its goals.

“The good goal test”
- Are my goals consistent with the mission, vision, and purpose of the organization?
- Will the members of the organization agree with the goal?
- Are the goals SMART?
  - S specific, significant, stretching
  - M measurable, meaningful, motivational
  - A agreed upon, attainable, achievable, acceptable, action-oriented
  - R realistic, relevant, reasonable, rewarding, results-oriented
  - T time-based, timely, tangible, trackable

Steps in goal setting
- Brainstorm
  - Allow ideas to start flowing.
  - Build on others’ ideas
  - Discuss with others what you would like your office to accomplish through your office.
- Prioritize
  - Place goals in order of importance.
  - Remember to set a few goals to which you, the officer, will commit to.
  - Be realistic; do not over plan goals that can become unachievable.
- Develop a quality action plan
  - Identify the steps needed to accomplish the goal.
  - Put the steps needed to accomplish the goal in order.
  - Be sure your goals are incremental and measurable.
  - Set a deadline for each step to be accomplished.

Use this chart to brainstorm your goals. Be sure to develop action items to help achieve your goals.

**TRUE COLORS**
True Colors can serve as a useful guide to help members of the executive board learn about one another’s leadership style. With this information, the group can identify which officers have strengths in specific areas. It can also help to know this information to mediate conflict.

**True Colors Indicator**
In this exercise, six words have been supplied in each box. Compare all four boxes in each row, ranking each set of words from 4 to 1: 4 – most like you, 3 – a lot like you, 2 – somewhat like you, 1 – least like you. In the space provided, mark the ranking below each box. Please select the word groupings based on your natural tendency, not what you are capable of doing if asked or how you think you would like to be. This should reflect who you are naturally. DO NOT analyze each word; just get a sense of each box.

Let’s make this week a good week!

ASI CHIEF COMMUNICATIONS OFFICER
KAETLYN HERNANDEZ

Hello everyone!

Just a few updates for you all. Communications Commission has their next A Case of the Monday’s partnered with Spring Concert in a month where there will be tie dying shirts and battle of the bands, they will be launching their Student Employee campaign this week where we recognize three student employees per month by displaying their photo in the TSU and on the social media, they will be changing the nature of the social media to make the story much shorter, board agendas will be posted to the story for now on, and they are working on getting shirts very soon. Community Engagement Commission is printing brochures with all of the ASI benefits to the community now to present at a city council meeting, they are teaming up with Tuffy’s Basic Needs to put on a hygiene drive, and they are looking into the possibility of teaming up with the commissions for a night event. I had my first Ambassadors meeting with Keya as the guest and it went very well! Some concerns they expressed are that their student leaders stopped contacting them to be shadowed. PLEASE KEEP WORKING WITH THEM! Ambassadors is a year-long commitment. Stop by their next meeting on March 29 from 12-1:30 in the Grand Staircase Studio. Lastly, I am looking at dates for the Building Leaders campaign. The theme has always been
Building Leaders but my idea is to bring purpose to leadership. There will be no video shoot, only a photo shoot. We will do a dinner with Athletics, ICC, and ASI student leaders with discussion about leaderships, and photos in the back. These photos will be used for posters that say “I __ for __”, so that leaders can show why they lead. For example, Ana could say “I advocate for those who are undocumented.” It brings a sense of awareness to larger issues and creates an actual purpose to our student leaders. Please let me know if you have any questions or feedback!

Thank you!

ASI CHIEF CAMPUS RELATIONS OFFICER
REBECCA HESGARD

Happy Spring everyone!

**CSSA:**

At the March meeting we talked about some pretty interesting bills that I thought I'd share with y'all:

• **AB514 (Asm. Medina)** - Currently there are 2 students on the CSU Board of Trustees. Since it is a 2-year term, the student trustee that is serving in their second year has the ability to vote while the student trustee serving in their first year does not. This bill would allow both student trustees to have voting privileges. No other trustees on the board have to undergo a "shadow period" which is why we are advocating for both trustees to be able to vote. (Sponsored by CSSA)
• **AB930 (Sen. Gloria)** - This bill would prohibit the CSU Board of Trustees from increasing executive compensation in years in which student tuition is increased. Some students across the CSU are attending this week's CSU BoT meeting to talk about this bill (and a couple of other bills).
• **AB542 (Asm. Gabriel)** - Currently 1 in 16 students who are eligible for the Competitive Cal Grant actually receive an award. Additionally, AB540 students cannot receive an award until all eligible citizens have. The A Student Aid Commission estimates that roughly 1,000 AB540
students would be eligible for the CalGrant. This bill would increase the number of Competitive Cal Grant A and B awards annually by 3,000. (Sponsored by CSSA) (Voting CSSA's stance on bill in April)

- AB151 (Voepel) - One of the limiting factors to receiving a Cal Grant is the age restriction that prevents people older than 28 from receiving a Cal Grant. This bill would raise the maximum age for receiving a Cal Grant from 28 to 30. **Note: I recently heard that they are amending the legislation to just completely get rid of the age requirements.** (Supported by CSSA)

The Board passed a Justice for Josiah/Students of Color Safety Resolution which calls on the Chancellor's Office to support systemwide working groups that would address the safety of students of color in the CSU.

The Board passed a Say on Pay Resolution which urges the CSU Board of Trustees to not adopt an executive compensation policy that would intentionally increase salaries while there is no sustainable funding model for the CSU.

The Board nominated an Administrator, President, Faculty, and Trustee of the year.

The Board passed a Resolution in Opposition to Proposed Title IX Changes Regarding Student Sexual Assault and Harassment Cases which addresses some of the changes being made to Title IX regarding investigations and cross-examination.

I am currently working with members of the University Affairs committee and our Titan Dreamers Resource Center to evaluate the relationships and communication between the Chancellor's Office and systemwide Dream Centers. We are hoping to work with the Chancellor's Office to improve the communication regarding DACA updates and support for undocumented students.

**Lobby Corps:**

This week I will be having one on ones with the Lobby Corps coordinators to get updates on their projects (Title IX, people on parole voting restoration, and undocumented student advocacy).

This week Lobby Corps and I will be meeting with our CHESS delegation to talk about what advocacy efforts for financial aid reform can look like moving forward. We will start to plan some of the advocacy efforts and events.

**Exec:**

On Wednesday we will be meeting with VP Eanes right before our team meeting. Let us know if there is anything you'd like us to bring up on your behalf!

Rebecca and I sit on the Planning, Resource and Budget committee which will be meeting Friday. One of the things we've discussed is the revenue shortfall our campus is facing. Long story short -- since we have more students taking 15 units instead of 12 and more students graduating faster, but not more students
getting enrolled we are getting less tuition revenue. If you want to learn more about this please reach out to us! We've been involved in the work group that's addressing this.

Ana and I will not be at BoD next week because we will be in DC advocating for the CSU Budget alongside Fram and Tami from Gov & Community Relations! We'll miss y'all ❤

Thanks for all the work y'all do! Remember that applications for exec, commission, and programming positions are now open! Reach out if you have questions about CGO or Lobby Corps! I'd love to help y'all or your friends out!

Maisune Abu-Elhaija, Vice Chair/ Treasurer:
Hi everyone,

BOD Things—The qualtrics version of the graduate student needs’ assessment will be emailed to all of you by meeting. Please review for feedback by this Friday. After then, that version will be forwarded either through the Titan portal or through college deans. Incentives TBD.

Finance—There is a special Finance Committee meeting after BOD to conclude deliberations and our budget vote. The Executive Team put in hard work and the Finance Committee did their responsibility in reviewing everything appropriately, which is why I called for more time. Please direct all budget questions to me.

VC Treasurer—I will be making transition materials for VCT and conducting my own review. Additionally, I will be gathering student input on the equity gap project being carried out by the Middle Leadership Academy team soon, at BOD.

Maisune Things—I have a Chapman fun fact that I will share at meeting! Side note, please check in with anyone who is remotely part of the Muslim community following the NZ Terrorist Attack. Social justice and inclusion is a value of our ASI but I have not seen that play out for this community unless we count efforts have been led by those in the community. Spread love and peace.

Best,

Maisune Abu-Elhaija

Maria Linares, Vice Chair/ Secretary:

New Business:

   ▪ The committee will discuss revised/reformatted bylaws
Last week:

a.) **Action:** Policy Concerning Compositions and Duties of Commissions  
   - The committee approved updates to the policy concerning commissions

b.) **Action:** Resolution to Establish ASI Scholarships for Project Rebound Students  
   - The committee approved ASI Resolution to establish ASI scholarships for Project Rebound students

**Leadership Stuff**

- Met with Eraj (Director for Titan Communication), Carol, Drew, Scott, Riley & Jesse to discuss the possibility of live streaming BOD & BOT meetings.
  - Eraj and his team can perform trials for one or two meetings so that we can visualize what live-streaming would look like.
  - We must ensure the content that we produce is ATI (Accessible Technology Initiative) compliant

- Met with Carol, Drew, Kayleigh, Riley, Chris, and Doug to discuss the process of revising ASI parking privileges and financial awards for BOT Vice Chairs
  - Riley was interested in adding two names to the list. The parking permits would be for the two trustee liaisons; marketing and programming. Carol will get back to us.
  - Doug & Chris would like to revise the financial leader award amounts for the two vice chair positions. This process would go through Finance because Governance does not discuss topics which impact budget. But before we move towards that step, we might create a working group. More details to come soon.

Looking forward to seeing you all at our BOD meeting tomorrow.

Maria Linares
