Proposition to purchase a shuffleboard table for Titan Bowl & Billiards.

PRESENTED TO: Titan Student Centers Board of Trustees

MEETING DATE: April 17, 2019

PRESENTED BY: Douglas Kurtz, Titan Student Centers Board of Trustees, Vice Chair of Operations

BACKGROUND
The addition of shuffleboard to Titan Bowl & Billiards has been discussed for a couple years. It was not purchased in 2018 due to a delay from the manufacturer.

PROPOSAL
To purchase one standing Shuffleboard, no less than 12 feet and no more than 16 feet in length, from unused funds from the travel and contingency budget of the Titan Student Centers Governing Board. It will be housed in Titan Bowl & Billiards for all students, faculty/staff, and the community to use. The table materials will complement the same aesthetic as the billiards and foosball tables in Titan Bowl & Billiards. A cover to keep the shuffleboard from being damaged when it is not being used will be included in the purchase.

RATIONALE
Titan Bowl & Billiards is a place for students and the general public to engage in fun and exciting games. The addition of Shuffleboard will add to this vision. It is a game that can easily be played by anyone and does not require a lot of upkeep. It will not obstruct or take away from any of the activities already in place in Titan Bowl & Billiards.

IMPACT
Shuffleboard will be added to Titan Bowl & Billiards for everyone to enjoy. No other games, tables, and chairs will be removed from Titan Bowl & Billiards. Existing tables will be adjusted to accommodate the table in the gaming area.

BUDGET IMPACT
Cost of the table, cover, delivery and installation shall not exceed $5,000. Money will be allocated from the Titan Student Centers Board of Trustees Contingency account (1900-8097) for $1,500 and from unused travel (1900-8077) for $3,500. Cost per game will begin at $4.75/hour for CSUF students, $6.25/hour for CSUF Faculty/Staff, and $8.15/hour for community members. Fees will be assessed annually by the Titan Bowl & Billiards staff or as needed.

IMPLEMENTATION TIMELINE
Shuffleboard and cover will be installed and activated in early summer 2019.
Re-allocation of office space on the upper level of the Titan Student Union.

PRESENTED TO: Titan Student Centers Board of Trustees
MEETING DATE: Wednesday, April 17, 2019
PRESENTED BY: Chris Evans, Vice Chair of Facilities, TSCBOT
Jeff Fehr, Associate Director, Titan Student Union
Drew Wiley, Director, Leader and Program Development

BACKGROUND
The Board of Directors (BOD) recently approved the creation of a new Executive Officer position. This new position has created the need to adjust the space allocation for our ASI student leadership offices.

PROPOSAL
The space in TSU 260 will be reallocated for an ASI student leadership office. The BOD Chair (currently TSU 213 in the Executive Offices Suite) will be relocated to TSU 260 (the office next door to the current BOD Vice Chairs’ Office). The space in TSU 254 will be converted to a Board of Trustees office space.

RATIONALE
This proposal has been created with the rationale that our student leaders need to have close proximity to others that they work with most. The creation of a new Executive Officer position has resulted in the need to have space within the Executive Offices suite in TSU 207. This need lead to the decision to propose the relocation of the BOD Chair office. Relocating this office next to the current Vice Chairs’ office will enhance these leaders’ ability to communicate and collaborate.

IMPACT
Reduction of two club office spaces.

BUDGET IMPACT
None to minimal budget impact is expected, as existing furniture will be used primarily. Any new furnishings will be purchased from existing operating budget funding.

IMPLEMENTATION TIMELINE
Process will begin at the end of Spring 2019 and will be completed in early Summer 2019.
Proposal to allocate club office space in the Titan Student Union for the Fall 2019 Semester

PRESENTED TO: Titan Student Centers Board of Trustees
MEETING DATE: Wednesday, April 17, 2019
PRESENTED BY: Chris Evans, Vice Chair of the TSCBOT Facilities Committee
Drew Wiley, Director of ASI Leader and Program Development

BACKGROUND
The Titan Student Union offers a club space program within the facility for recognized CSUF student clubs and organizations that includes office spaces and storage lockers. Office spaces are allocated by the TSCBOT each semester.

PROPOSAL
Allocate available club office spaces in the Titan Student Union to the recognized student organizations listed on the attached allocation roster for the Fall 2019 Semester.

RATIONALE
Based on the applications for office space submitted, the student organizations listed on the attached roster were assessed to have the best presented applications and plans for using the office space during the Fall 2019 Semester.

IMPACT
By offering space to recognized student organizations, the Titan Student Union continues to present opportunities for these organizations to engage with members and prospective members to accomplish club goals. As these spaces are already allocated for student organizations there will be no additional impact.

BUDGET IMPACT
There is no budget impact associated with the proposal.

IMPLEMENTATION TIMELINE
Student organizations allocated space will be contacted prior to the end of Spring 2019 Semester and will move into their offices the week before the Fall 2019 Semester.

The purpose of this event is to showcase and embrace our Mexican roots through dances that are traditionally seen in a variety of states in the country of Mexico. We also use this event to demonstrate the community along with our parents that we are still connected with the Mexican culture. In addition, it is a way to embrace our Mexican identity.

5. What is the expected attendance?

Last year: 156
This year: 200

CSUF Students approximation of attendance last year was 56 out of 100, the club verifies attendance by using a color-coded ticket system and by saving the ticket stubs.

Success Rating and Criteria – RECURRING PROGRAM

a. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent): 4. Please explain your rating. Word limit (120)

In my honest opinion, I believe last years overall grade for the event would be a 4.5. We had such a great turnout, along with a great response from the audience. We took the liberty and did a special surprise for our audience where a lot of them got the privilege to learn and appreciate the live representation we performed. Furthermore, the reason why I did not give our event a 5 is because I personally believe that there is always room for improvement.

b. Please list the criteria your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

Overall, the event ran smoothly and we feel it was a very successful event. The crowd that came to see us were engaging and participated when the opportunity was presented. However, our last showcase was at Hope University; their dressing rooms were far too small to properly host the amount of members we have. Every year, we have an increase of members joining our group.
c. Identify one component of the program you would like to improve.

We would like to improve our marketing and advertise our event to the broader CSUF community, specifically the other cultural orgs (such as those in AICA) and not just our families and Latinx orgs. We would love to share and educate our culture to those outside of our own.

d. Describe the preparation and action to improve this component. Word Limit (120)

We plan to distribute flyers around campus wherever public advertisement is allowed. We also will be sharing our flyers to the centers within the department of Diversity Initiatives & Resource Centers (DIRC). We will also be sharing our event to other orgs involved with AICA by giving physical flyers and posting on our Facebook group.

6. Success Rating and Criteria – NEW PROGRAM

a. Is this a new program your group is coordinating for the first time?

No.

b. if yes, list the criteria your organization will use to evaluate the success/failure of the program. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word limit (120)

N/A

8a. Please describe your marketing plan.

To market our show, we plan on posting flyers around campus. We also intend to spread the word through social media platforms like Facebook and Instagram, as well as Twitter and Snapchat. In addition, we plan on reaching out to our fellow Chicano organizations on campus as well as resource centers to invite more CSUF students. Furthermore, we plan to reach out to our alumni so that they can come back and see how their legacy is still being continued.

8b. Who is the primary target audience?

Our target audience includes but is not limited to the students and faculty at CSUF and the surrounding community. Along with family and friends of our dancers.
8c. How will you reach them?

Posting and passing flyers around campus for everyone to see. Also collaborating with MESA and AICA to help promote our showcase. In addition, mentioning the event is free for staff and students.

8d. What resources do you plan on using?

We intend to use our social media platforms, such as Instagram and Facebook. In addition, we will give flyers to all five centers at the Diversity Initiatives & Resource Centers, as well as posting the flyers throughout campus. Furthermore, we plan to reach out to alumni and family members to spread the news about our performance.

9. List your organizational leadership.

I understand that at the conclusion of this meeting, it is my responsibility to meet with the Financial Officer and complete an Allocation Dispersal Form and an Encumbrance Form. 1a. What type of program or event does your group want to host (i.e., panel discussion, film screening, speaker, conference, symposium, performance, cultural show, etc.)?

We want to host our 11th annual cultural show, a yearly tradition showcasing performances about the Chinese and Chinese-American culture.

1b. What are the components that make up the event? Word limit (120)

There are three main components of our culture night: the play, the cultural performances, and fashion show. With 14 scenes, the play will take up the majority of the showtime. In between every 3-4 scenes, we will have short performance pieces such as traditional fan and ribbon dances, along with modern hip-hop, and newly added fashion show.

2. What is the purpose of the event? Please be specific. Word limit (120)

Aside from enrolling in an Asian-American studies class, there aren’t many other ways to learn about Chinese and Asian culture. We hope our cultural show can supplement what is already commonly known about Chinese-Americans as well as spread awareness about what it means to be Chinese-American. The purpose of the event is to celebrate and educate the audience on Chinese culture and values. Like this year, we would like to improve the visual aspects of our show, the overall quality of the show rather than quantity, including acting props, dance uniforms, traditional wear, lightings, backdrops, etc. We believe this year and forward that a stronger focus on visuals and quality of the show will better engage the audience and more accurately showcase the Chinese culture.

3. What would members of the university community learn if they attend this event? List 3 specific educational and cultural outcomes of your event. Word limit (150)

Members of the university would inform and educate attendees traditional dances such as ribbon, and the concept of being an Asian American being seen as an Asian American in the eyes of many, but in eyes of others seen as only American. We also wanted to have people learn to not forget about their cultural identity, and instead of hiding it express who they are.

4. Provide an outline of the event (agenda with time-table).

5. What is the expected attendance?

a. This year: 300
b. Last year’s verified attendance: 200
c. We verified audience turnout at the door through the use of free admission tickets handed out to attendees and student ID. By tracking the number of tickets claimed, we could calculate how many people were in attendance whether they were CSUF students or not.

d. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent):. Please explain your rating. Word limit (120)

Rating the success of last year’s program: 3
Taking into consideration various, factors, we determined the show to have an average rating of 3. Overall, the performances went smoothly, but there were some hiccups along the way. We didn’t have a full rehearsal run-through, so many of the performers were onstage for the first time during the actual show. We were also one lavalier short, so two of our actors had to share a mic throughout the duration of the play, one had to project his voice, and Fullerton College stage crew opened the door for us late while creating a lot of technical issues for us during the show. So there is plenty of room to improve the show in terms of quality. However, our attendance was were we expected, and hoping to continue the upward trend. This year, we’re focusing on improving the quality of the show with more rehearsal time to go over with the performers and the technical part with the stage crew. Also, we’ll be improving our marketing by pushing more of it on all platform of social media. We’re projecting a higher attendance number because we developed a better bond with our sister clubs in the UC and CSU system in our area, and had significantly larger member retention this year.
Allocation Request Form: Club

e. Please list the criteria your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

The criteria we used to judge the success of our show last year is:

- Audience attendance
- Member participation & retention
- Adherence to Theme & purpose of the show
- Organization & execution of performances
  - Ex. Technical difficulties, transition, timing, etc.

f. Identify one component of the program you would like to improve.

One component of the program we’d like to improve is the quality of the program/show.

g. Describe the preparation and action to improve this component. Word Limit (120)

To improve the quality of the program/show, we decided to start practices earlier in the school year, implementing rehearsal time before the show day, new components such as stage ninja, quality control committee, and a media and marketing director. That way we can focus on perfecting the show, performances, and marketing strategy to meet our expectation and audience’s expectation better. Our decision so far is going smooth as we have more performers and coordinators who are meticulous on getting things done right. Also, we developed a day to day, and hour by hour break down of what needs to be done in terms of performances and what is required to a quality program.

6. Success Rating and Criteria – NEW PROGRAM

a. Is this a new program your group is coordinating for the first time?

No, this is our 11th year hosting the annual cultural show.

b. if yes, list the criteria your organization will use to evaluate the success/failure of the program. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word limit (120)
All action Request Form: Club

8a. Please describe your marketing plan.

This year we have a media and marketing director on our board, closer relationship with our sister cultural clubs, and other cultural clubs both on campus and off campus. By collaborating with these organizations, we hope to promote our culture night event to multiple student populations around the area. Furthermore, we had two individuals with their specific position to dedicate all their time when they can rather than having someone taking on multiple positions.

8b. Who is the primary target audience?

The primary target audience will be CSUF students, and the Chinese and Chinese-American demographics. Another audience group would be our sister clubs in the UC and CSU system, along with cultural organizations outside of campus and residents of the Orange Country/Los Angeles community.
### Allocation Request Form: Club

**8c. How will you reach them?**

We plan on reaching our target audience through flyers, posters, all platform of social media, campus resources, our sister clubs, word-of-mouth, and Chinese-American community/businesses.

**8d. What resources do you plan on using?**

We will promote our culture night show to other cultural clubs and organizations within the school and sister clubs school through word-of-mouth, flyers, posters, and social media platform. We will also utilize campus resources such as the school poster boards, the dorms, and various resource centers to advertise our event and further increase our outreach to the CSUF community.

### 9. List your organizational leadership.

Today’s Date
1a. What **type** of program or event does your group want to host (i.e., panel discussion, film screening, speaker, conference, symposium, performance, cultural show, etc.)?

The Pilipinx-American Student Association (PASA) would like to host its 32nd annual cultural show, Pilipinx Culture Night (PCN) titled “I’ll Be There”.

1b. What are the components that make up the event? Word limit (120)

“I’ll Be There,” is a production that will consist of a scripted skit written by the PCN coordinators as well as a compendium of different cultural dances all performed by PASA members. This production incorporates Pilipinx values and how we interpret our culture.

2. What is the purpose of the event? Please be specific. Word limit (120)

The purpose of this event is to intertwine Pilipinx, Pilipinx-American, and even non-Pilipinx culture to showcase a larger awareness of different intersections within our community. The dances chosen in this year’s show not only aim to express traditions originating from the Philippines, but also promote and preserves our practices for future generations.

3. What would members of the university community learn if they attend this event? List 3 specific educational and cultural outcomes of your event. Word limit (150)

**Storytelling:**
The focus of this year’s skit is centered on Pilipinx history and understanding cultural & generational gaps. Through moments of love, growth, and magic, our production embodies our heritage through modern storytelling for audiences of all backgrounds to understand.

**Dance:**
The dances that will be performed are a visual of Pilipinx customs and traditions which are categorized by different suites that encompass different cultures within the Philippines.

**Music:**
This year’s PCN is special because all of the music for our cultural dances will be played by our own members using authentic, traditional instruments. Each song brings challenges as the composition of each song encompasses cultures from different regions of the Philippines.

5. What is the expected attendance?

- This year’s expected attendance: 900 – 1,000
- Last year’s attendance: 918 (275 CSUF)
- How we verified attendance:
  We sold pre-sale tickets and tickets at the box office. CSUF students and faculty got in for free with their Titan card as each corresponding ID and ticket were accounted for.

Success Rating and Criteria – RECURRING PROGRAM
a. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent): 4. Please explain your rating. Word limit (120)
Although there were some foible mishaps that happened in preparation the day of, the production was an overall success rating at about 4.5. Our most recent PCN received much praise from family, alumni, and CSUF students & faculty in regards to the cultural dances, skit, production, and the overall portrayal of cultural concepts within the entire show.

b. Please list the criteria your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

Attendance:
Last year, our PCN had a total attendance of 918 people which was a really large jump from our show two years ago which had an attendance of about 660 people. The largest recorded PCN attendance was 1,001 people. We aim to meet, and if even better, surpass this record.

Audience Feedback:
Last year, we received constructive criticism and helpful feedback in regards to issues within our skit and dances that were performed. We were also able to implement feedback we received from previous years to improve our dances, and we aim to continue doing so this year and for future productions.

Timing:
In past years, we have always had our PCN scheduled early causing our rehearsals to be rushed. However, this year, we decided to book a show later in the semester so that board members and general members could equally balance school and rehearsal time without having to stress too much.

Production Quality:
Although Haugh Performing Arts Center is still a fairly new venue for us to perform at, we have performed there enough to strengthen our relationship with them. This helped the show run smoothly because the staff already knew what we needed for a successful show.

c. Identify one component of the program you would like to improve.

A component that our organization would like to improve is an increase in the attendance of CSUF students. For the past couple of PCNs, we have had a steady attendance of about more or less than 250 CSUF students. We would like to grow our CSUF attendance to at least more than 275.

d. Describe the preparation and action to improve this component. Word Limit (120)

In order to prepare to improve this component of PCN, we aim to strengthen our connections through building connections with more internal organizations within our campus (including AICA, APARC, ASAM, etc.)

6. Success Rating and Criteria – NEW PROGRAM
a. Is this a new program your group is coordinating for the first time?

No, this is our 32nd annual PCN.

b. If yes, list the criteria your organization will use to evaluate the success/failure of the program. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word limit (120)

8a. Please describe your marketing plan.

We will be marketing PCN through communication with other internal organizations, use of social media channels, and sponsorships from local businesses and organizations. A majority of our marketing media will be primarily through flyers, posters, stakes, Titan Radio, and word-of-mouth to help boost our CSUF student & faculty attendance.

8b. Who is the primary target audience?

Our primary target audience are CSUF students and faculty. We aim to welcome those who are apart of AICA, multicultural Greek organizations, and cultural study departments. We are also reaching out to local businesses and our sponsors to help us publicize. To add on, we externalize with other Pilipinx-American organization throughout Northern and Southern California and invite them to attend our show.

8c. How will you reach them?

In order to reach our target audience, marketing for our PCN will primarily be done through social media, flyers, stakes throughout the campus, and word-of-mouth. We will also be utilizing Titan Radio and the Asian Pacific American Resource Center to publicize our event. We also plan on contacting faculty within the Asian American Studies department to find a way to inform more CSUF students of our show. As for external communities outside of PASA & CSUF in general, we find ways to publicize through local businesses by displaying flyers and posters and also communicate frequently with other Pilipinx organizations across California.

8d. What resources do you plan on using?

- Social Media
- Staking around campus
- Flyer & Posters
- Diversity Initiative & Resource Centers
- Asian American Studies (ASAM) Departments
- Word of mouth

The purpose of this report is to discuss the goals, current funding status, events, and meeting times for Mesa Cooperativa.

To begin, Mesa Cooperativa has the following goals:

- A short-term goal for the council is to increase the participation of upcoming events.
- A long-term goal for the council is increase the awareness of Mesa Cooperativa through new media campaign strategies.

As of now, the council has been able to increase participation by implementing new marketing strategies for the events. As a council, we have increase word-of-mouth strategy by having delegates pass out flyers to their organizations and students. As a result, we have been able a steady increase in attendees.

Next, the graphs below are illustrate our allocated budget compared to the money spent. Each of the graphs below represent the different sides of the council’s budget.

**Exhibit 1**

![Graph of budget allocations](image)

The amounts allocated for supplies is approximately 18% for our upcoming mixer and 18% for t-shirts for our council. Next, we’ve allocated 24.85% for our upcoming mixer and part of it was for our past event, Cultivating Empowerment. Moreover, for contracts, fees, and rentals, the
council has allocated 5% to provide food for our upcoming event, The Mixer. Lastly, we’ve allocated 33% for travel for the council to attend a conference after finals.

Exhibit 2

The amounts allocated for contracts, fees, and rentals is a total of 62%. The council will provide 47% to Dream Co-op for their Migration is Beautiful event. Then, 15% will be allocated to Society of Hispanic Engineers for their Alumni Mixer. Lastly, for Travel we are planning to allocate 57% of funds available. The council plans to provide 26% to the Latinx Student Psychologist Association to travel for their upcoming conference. The council will provide 13% to Sigma Lambda Beta to attend their Leadership Institute Conference. The remaining 18% will go to the Lambdas to attend their conference.

The following are some of the past events and future events Mesa Cooperativa will be holding:

- Cultivating Empowerment Day was on March 10, 2019 from 4:30 pm until 7:30 pm.
  - Activities and the keynote speaker provided information on activism in the Latinx/Chicanx community.
  - Had a good turn-out but wished there was more participants. The council believes that we could have had a better turn out if we had promoted the event more.
- We are currently working on The Mixer event.
  - This event will allow faculty and students network with the present and future executive board and delegates of Mesa Cooperativa.

Mesa Cooperativa meets on Monday at 5:15 pm until 7:00 pm in TSU, Ontiveros.

1. PROCUREMENT GUIDELINES
Associated Students Inc. shall follow all procurement guidelines set by the Integrated California State University Administrative Manual (ICSUAM) Section 500 Contracts and Procurement and CSU Fullerton President Directives.

2. CAPITAL EXPENDITURES
Capital expenditures are costs incurred to acquire or construct a capital asset. A capital purchase is any purchase of a single item or combination of like items with a total value equal to or greater than $5,000 and an estimated life of greater than one year. All capital expenditures approved during the capital request process are subject to ASI Board of Directors approval.

3. CONTRACTS
Contracts are legally binding agreements and must be signed only by the Executive Director or designee. ASI contract template may not be used by clubs, organizations, or CSU Fullerton departments. Specific language binding only for ASI and the contracted artist(s), performer(s), or vendor(s). Student clubs or organizations are legal entities under CSU Fullerton through the registration and recognition process.

a. Conflict of Interest
Business decisions must be made objectively on the basis of price, quality, service and other competitive practices. To avoid any potential influence from existing or potential vendors and customers, members are prohibited from accepting gifts, from vendors, suppliers, and customers, of more than token value.

Members transacting business or entering into contracts on behalf of ASI must not have any interest, financial or personal, in those transactions or contracts. Should a member have an interest in an organization with who the ASI transacts business, the member must recuse themselves from any negotiation, authorization, or approval of such transactions.

b. Artists, Performers, or Vendors
ASI has approved contract templates to be used for vendors, artists and performers that provide a service. The contract outlines specific terms, liability and insurance requirements, and other expectations of the artist, performer, or vendor.

The purpose of the W-9 form is to record the tax identification number or social security, along with the name and address of an individual or business that the ASI pays for services rendered. When payments for services rendered are $600 or more during a tax year it is reported to the Internal Revenue Service (IRS) and a Form 1099-Misc will be issued to the individual or business.

d. Independent Contractors
Independent contractors are self-employed, and they are any individual or business that does work for another party at a specified rate. An individual who is an independent contractor is not an employee for any business. Instead, the contractor does whatever work is stated within the contract and once the job is finished, the person is free to go work with other organizations.
The worker is free from control and direction of the hiring entity in connection with the performance of the work, both under the contract for performance of the work and in fact; the worker performs work that is outside the course of the hiring entity’s business; and the worker is customarily engaged in an independently established trade, occupation, or business.

4. CORPORATE CREDIT CARDS

Corporate credit cards are assigned only to full-time staff and certain student leaders of the corporation. Student leaders of the Corporation eligible to be issued, for corporate uses, a credit card include: ASI President, Chief Governmental Officer, Chair of the Board of Directors, and Chair of the TSC Board of Trustees. Full-time staff may request an increase in credit limit by submitting in writing the justification to the Director of Financial Services. ASI VICE PRESIDENT
SABA ANSARI

Hi y'all,

Time is winding down, and we only have 3 Fridays left!

I’ll be spending this week looking at the scholarships application questions, evaluating financial awards for student leaders, attending TDRC’s 5th Birthday Celebration & Earth Week Expo (Tuesday), hosting the Students of Minority Faith roundtable (Wednesday), attending Dave’s Eval & the ASI Strategic Plan committee, and meeting with: Ana, Austin, Dave, Elizabeth from AICA, Ben from Films, Martha from TDRC and Jeanne from Gov Relations.

ASI Banquet is THIS FRIDAY: 5:30-8PM in TSU South Patio. If any of you have some time beforehand, I could use the help in setting up :-(

It is still Sexual Assault Month, and I wanted to leave y’all with a quote: “Why does every woman know another woman that was raped, but no man knows a rapist?” If this make you mad or uncomfortable, have the hard conversations with your friends about what sexual assault and rape culture entails. It may seem like a small thing, but these conversations are what change culture. Do your part my friends.
