It’s important if you hear anything negative or an issue needs to be addressed, go directly to the person, or bring to Allen or Baker for assistance to make sure things are handled appropriately. Be respectful with what is going on with Kalra. Be supportive of each other.

### PROJECT DESCRIPTION
Replace all indoor flooring for the front lobby, community room and classrooms area. We will replace all old flooring with new flooring. This project covers the flooring in the whole center.

### PROJECT LOCATION
Children Center Indoor Flooring Spaces

### JUSTIFICATION (how will this further ASI programs - attach additional information as needed)
Due to wear and tear and age of flooring many areas of the indoor flooring in the Center are lifted and warped and need to be replaced. In some areas it is a safety concern and takes away from the aesthetic look of our facility. Flooring will be replaced with a flooring style where sections can be replaced if needed. Right now with current floor this is not possible.

# Project/Purchase Request

Fill in light blue sections. All sections must be completed and approval finalized before project begins.

Add additional lines and attach additional documentation as needed, including quotes, diagrams. Complete page 3.

## PROJECT TITLE
- **Childrens Center Outdoor Classroom Improvements**
- **Children's Center**

## PROJECT DESCRIPTION
Purchase outdoor furniture, mud kitchens and tables for outdoor classroom areas. All items purchased will be child sized.

When we moved into this building all outside areas were furnished with indoor furniture from our old facility. Most of it was not designed to be used outside and after 10 years has become worn and unsafe. We also don't have enough mud spaces or water table spaces to furnish what is needed in our outdoor classroom areas.

## PROJECT LOCATION
Children Center Outdoor classroom spaces (classrooms)

## JUSTIFICATION
*(how will this further ASI programs - attach additional information as needed)*

Adding mud kitchens and water tables will enable us to incorporate STEM early learning and outdoor play exploration. This will also vastly improve our classroom learning experiences and educational program. It will also extend the teaching areas into "outdoor" classrooms. It will make the equipment we have in our outdoor spaces safer and more child friendly since the area will be furnished with items specifically designed for children. It will also improve aesthetics.

## PROPOSED DATES
*(include timeline on Project Plan section)*

- **Start Date:** July 2020
- **End Date:** December 2020

## IMPACT ON PROGRAMS & SERVICES
*(services that will close; noise/disruption; staff work area/schedule)*

- **Programs/Services:** None
- **Facilities:** None
- **Staff:** Some minor disruptions to outdoor playgrounds while we rearrange and replace furniture
- **Other:** None

## DISPOSAL PLAN
*(list furniture and materials that will be disposed of and how)*

All current furniture and items being replaced will be stored for further usage. If not we will donate to other subsidized programs as per our agreement with the California Department of Education.

STANDARDS

1. CALIFORNIA STATE UNIVERSITY FEES

a. Background
The California State University (CSU) Board of Trustees provides policy guidance for all matters pertaining to student fees and has authority for the establishment of Category I to VI fees, and oversight and adjustment of Category I fees, pursuant to the Working Families Student Fee Transparency and Accountability Act (commencing with California Education Code Section 66028).

The CSU Chancellor does not have delegated authority for Category I fees, but the chancellor may approve individual campus tuition fee rates that do not exceed the maximum fee rates established by the CSU Board of Trustees. The inflationary adjustments will not be considered automatic on an annual basis and must have consultation from California State Student Association (CSSA) before any inflationary adjustments are made. The chancellor is the delegated authority for the establishment, oversight and adjustment of Category II, Category III, and Category V (specifically the Cal State Online fees for Extended Education offerings). The chancellor is the delegated authority for the oversight and inflationary adjustment of the Category VI Student Involvement and Representation Fee.

Each university president does not have delegated authority to establish Category I or Category II fees, or to adjust Category I fees. The university president does have limited authority to establish or adjust Category III fees only within a range established by the chancellor as shown in the CSU Chancellor Fee Policy. The university president is the delegated authority for the establishment, oversight and adjustment of Category IV and Category V fees (with the exception of Cal State Online fees for Extended Education offerings), and for the oversight and adjustment of Category II and III fees.

b. Associated Students Inc., CSU Fullerton Fees
Associated Students Inc. follows California Education Code Section 89300, et seq, together with system and campus policy, to authorize a process for the setting Category II mandatory student fees upon which the corporation relies as a student body organization. The student body election process is separate and distinct from the student leadership selection, referendum, and initiative processes utilized by the corporation.
Fees utilized by student boy auxiliary organizations must adhere to the Integrated California State University Administrative Manual (ICSUAM) Section 1300 CSU Auxiliary Organizations Compliance Guide and CSU Fullerton President Directives.

c. **Collection and Disbursement**
California Code of Regulations, Title 5, Section 41409, requires the University to collect applicable Category II fees and periodically disburse them to the corporation. The ASI Board of Directors establishes requisite standards and procedures for the administration of such fee funds.

2. **BUDGET GUIDELINES**
The ASI Operating Budget is set during an annual budget allocation which includes capital expenditures that are approved during an annual request process. The fiscal year is operated from July 1 through June 30 of the subsequent year.

ASI Financial Services manages ASI funds; state and federal appropriations grants and contracts; mandatory student fees; gifts; and income from ASI operations. ASI budget requests are reviewed by the ASI Executive Director for exposure to high-risk liability.

Limitations:
- Firearms, ammunition, alcohol, tobacco, and other items prohibited by CSU policies and applicable laws and regulations are also prohibited by ASI.
- Academic departments or other non-student governed administrative entities are not eligible for ASI funding with the exception of ASI approved partnerships.
- ASI funds may not be used to support or oppose any candidate for political office or ballot measure proposed to the people of California or the United States, per California Education Code Section 89300 and California Code of Regulations Section 42659.
- Sponsored charity or community service organizations awarded ASI funds must be registered nationally as a 501 (c)(3) organization, as per United States federal tax code.
- Only recognized organizations affiliated with funded and funding councils are eligible to receive an ASI budget.

3. **CAPITAL EXPENDITURES**
Capital expenditures are costs incurred to acquire or construct a capital asset. A capital purchase is any purchase of a single item or combination of like items with a total value equal to or greater than $10,000 and an estimated life of greater than one year. All capital expenditures approved during the capital request process are subject to ASI Board of Directors approval.

4. **GENERAL TIMELINE**
The ASI Operating Budget shall be created annually and will include funding for all mandated programs. The development and approval of the budget is as follows.

   a. **Fall semester**
During the fall semester ASI budget administrators:
- Assess prior year spending
- Estimate new initiatives
- Prepare and submit a departmental budget projection for the next fiscal year to ASI Financial Services for review by ASI Administration

As we begin this semester, it is with great sadness that I inform you Mansi will not be continuing as our ASI Vice President this spring semester. While there are undoubtedly many emotions you are all collectively feeling as a result of this news, I want to take a moment to clarify a few things. First and foremost, this was by no means an easy decision for her; there have been several incidents of harassment this past semester and she ultimately had to make the best decision for her overall health, a decision that myself and the entire executive team support. There will be more updates and conversations regarding these incidents in the coming weeks but for now, I ask that you please respect her privacy and refrain from reaching out to her with questions at this time; instead, it is with a heavy heart that I ask you to take these next few days to reflect upon the amazing impact that Mansi has consistently contributed to both this organization and our campus community. The amount of achievements she accomplished this past semester are nothing short of extraordinary, always striving to do everything in her power to advocate for others and advance the current/future programming and resources offered to our student body. Please send her nothing but your positivity, support, and love over these next few weeks and reflect on the responsibility we collectively have to continue to build upon her lasting legacy in serving students in the coming months.

Welcome back everyone.

I am currently working with Doug, Raechel, and Prashant from the Board of Trustees to film a special Direct from the Board episode which will recap what the Board of Trustees have accomplished during the fall semester and what they are planning for the spring semester. After this, I will then begin working on the next regular Direct from the Board episode to hopefully release at the end of February.
I am also getting things ready for the next ASI Town Hall which will occur on Wednesday, February 12th, from 11:00 AM to 12:30 PM at the TSU Grand Stairs. We will also be tabling the week before the Town Hall to collect prewritten questions from students in case they cannot attend the event or simply prefer to ask their questions beforehand. We will be tabling outside of the TSU on Monday, February 3rd from 4:30 – 5:30 PM, Tuesday, February 4th from 9:30 – 10:30 AM, and Wednesday, February 5th from 1 – 2 PM.

ASI Elections season is fast approaching. I am working with Marketing & Design and the Communications Commission to create a few projects that will promote our elections and hopefully encourage more students to run this year. More details to come soon.

I’d also like to mention how incredibly grateful I am to have had the opportunity to work with Mansi. I have always looked up to how dedicated, passionate, and strong she is and will continue to do so. It really is unfortunate to see how unfair and unhealthy of an environment she was in. I want to encourage as many people as I can to be very involved with ASI but it can be difficult to do so when I see how bad of an environment certain people make it here. Certain people will harass you simply for doing things a different way than what they’d like and this needs to stop.

Hello!  

Winter break is coming to an end... ugh! Here is my board report though!:  

Hello everyone!  

- I hope everyone had a restful Winter Break!! I'm not gonna lie. It sucks to be back. I want to go back to my bed, watch anime, and eat cheddar popcorn and hot chocolate—because that was absolutely amazing—but instead, I have to take all the G.E.s I stalled till the very end. :((  

- This week's Finance Committee meeting is going to be pretty light and chill as we ease back into things. We're regrouping to update the committee on what went on during winter break as well as what to expect for February. We have just three meetings before we start budget presentations, so I'm excited!  

- Executive Senate will not have it's first meeting until sometime in February. And right now, I'm working on finding a time that works for hopefully everyone. Unfortunately, I'm down my teammate, Mansi, to help out, but I will be able to hold down the fort and continue with the momentum we've built with and among the councils from last semester.  

- I hope we all have great, productive, and successful semesters both as students and leaders! For those of us graduating (including myself!), we've got 16 more weeks until freedom. For those continuing, I know that you will all continue to do even more amazing things during your time here.  

Happy 2020~!
