STANDARDS

1. CALIFORNIA STATE UNIVERSITY FEES

a. Background
The California State University (CSU) Board of Trustees provides policy guidance for all matters pertaining to student fees and has authority for the establishment of Category I to VI fees, and oversight and adjustment of Category I fees, pursuant to the Working Families Student Fee Transparency and Accountability Act (commencing with California Education Code Section 66028).

The CSU Chancellor does not have delegated authority for Category I fees, but the chancellor may approve individual campus tuition fee rates that do not exceed the maximum fee rates established by the CSU Board of Trustees. The inflationary adjustments will not be considered automatic on an annual basis and must have consultation from California State Student Association (CSSA) before any inflationary adjustments are made. The chancellor is the delegated authority for the establishment, oversight and adjustment of Category II, Category III, and Category V (specifically the Cal State Online fees for Extended Education offerings). The chancellor is the delegated authority for the oversight and inflationary adjustment of the Category VI Student Involvement and Representation Fee.

Each university president does not have delegated authority to establish Category I or Category II fees, or to adjust Category I fees. The university president does have limited authority to establish or adjust Category III fees only within a range established by the chancellor as shown in the CSU Chancellor Fee Policy. The university president is the delegated authority for the establishment, oversight and adjustment of Category IV and Category V fees (with the exception of Cal State Online fees for Extended Education offerings), and for the oversight and adjustment of Category II and III fees.

b. Associated Students Inc., CSU Fullerton Fees
Associated Students Inc. follows California Education Code Section 89300, et seq, together with system and campus policy, to authorize a process for the setting Category II mandatory student fees upon which the corporation relies as a student body organization. The student body election process is separate and distinct from the student leadership selection, referendum, and initiative processes utilized by the corporation.

Hello,

I hope you all enjoyed your first week back; I have only few updates regarding ongoing and future projects that continue to work towards supporting student success. One of the most exciting emails I received over break was from Yessica M. De La Torre Roman, our Assistant Director of Assessment and Student Development, regarding the quantitative results of our ASI Student Wellness survey she helped us develop and release during this past semester; Yessica is currently working on a qualitative report that I look forward to sharing with you all so that we can examine the most pressing concerns for our campus community and brainstorm creative solutions. This past week, myself and our leadership team met with VP Le Grande to discuss next steps with our ASI Food Pantry (scheduling a set of tours with our potential partner, Pathways of Hope) as well as our goals for this Spring semester and the upcoming Titan Safe Community Forum (this Thursday at 5:30pm in the pavilions, please attend if you can!). Additionally, I had the opportunity to attend this month’s CSSA plenary at Cal State East Bay and look forward to attending the CSU Student Success Data Analytics program kick-off (part of CSU GI 2025) later this week in San Diego. As always, please remember to reach out if you need anything at all; I am always here to support and talk through ideas, questions, or concerns. Lastly, I will be sharing some updates regarding the Vice President vacancy on our executive team at tomorrow’s meeting and hope you all have a sensational second week!

Hello all,

I hope everyone is having a great transition back into the school semester. I just wanted to update you about my goals for this semester.

I will be working to continue structuring PAC and UA as two separate entities so that students who come into the position next year have a head start.

Academic Senate will continue to focus on ethnic studies; however, conversations have begun about the Student Opinion Questionnaires. If you find this to be an area of interest or you have an opinion about them, let me know.

Other than that, my biggest priority this semester is the re-release of Title IX advocacy campaigns. That being said, if any of you are interested in this topic, PLEASE COME SEE ME.
at my office hours on Monday or email me so that we can coordinate! Thanks and have a great week.

Hello everyone,

Scholarship applications have opened for the spring semester! Please help spread awareness of them so that students take advantage of them. I have handbills and would greatly appreciate it if you could help me hand them out. One thing to note is that first year students whose first semester was last fall are now eligible to apply for the scholarships. Let’s let them know that! I am also planning to have a few presentations in the TSU next week to inform students about scholarships and answer any questions they may have. Will let you all know about days/times as soon as I get them.

I have been getting things set up for our next ASI Town Hall which will occur on Wednesday, February 12th from 11 AM – 12:30 PM at the TSU Grand Stairs. I have sent all ASI Student Leaders an email with more information about the event and a calendar invite as well. Please let me know if you will be attending the event by accepting/declining the calendar invite. I would definitely highly encourage you all to attend if you can to listen to the concerns and questions our constituents have.

I am also increasing the outreach for our ASI Town Hall to have as many students possible aware of the event. I have handbills to leave behind at different centers, present at classrooms, and give out during meetings. I would also appreciate it if you could help me hand them. I also recorded a short 1 minute promo video to push on social media.

I plan to begin a “class marathon” in where I attend as many different classrooms as I can to give quick announcements before their lecture begins. During those announcements I plan to give out ASI Scholarship and Town Hall handbills while giving summarizing how great of a resource they are. I’d love to make it to as many classes possible. Let me know if you are interested in helping out.

Fully Informed is back! Aaron joined me as our guest to launch Fully Informed this semester. I had a great discussion with him and can’t wait to have the episode released this week.

Happy Spring 2020!
Brittany Cook, Treasurer/Secretary:

Hello!

Here is my board report for this week:

Hello all!

I hope you had a great first week back! This week was fairly smooth a quiet in my realm of finance this week.

In Finance Committee, we reviewed over a more detailed timeline for the budget. It was a fairly quick meeting. This week, (fingers crossed!), we’re play Kahoot! to review over some policies since our budget deliberations are quickly approaching (Feb 14th and 20th)!

Budget proposals for all of the funded/funding councils were due Jan 27th. As of writing this, I'm not sure the status of the submissions, but hopefully everyone was able to!

Take care, everyone and enjoy Discoverfest this week!

Brittany

Maria Linares, Vice Chair/Secretary:

Greetings ASI,

I hope you all had a relaxing weekend!

Governance

♦ At the last meeting, we interviewed three applicants for the College of Business and Economics. Governance voted and we are recommending James Martinez to the Board of Directors. If you have any questions, please reach out. James should be coming to the board for a final vote on March 4th.

Informational:

➢ Leadership will have a meeting today to plan Breakfast with the Board. If you have any questions or ideas please reach out to Lorren, Brittany, Doug, or myself.
