ETHNIC STUDIES REQUIREMENT

• Lots of confusion about AB 1460 and what it means for an Ethnic Studies Requirement.

• At the end of all of this, we will have an Ethnic Studies requirement for all graduates of CSUF and, beyond us, the whole CSU system.
TIMELINE

- **Core Competencies sent to campuses by October 1st**
- **Revised Executive Order on GE shared with campuses with Feedback due to CO Office by Friday, October 30th**
- **Campuses should begin to revise their campus GE programs based on the draft EO on CSU GE Breadth during November.**
- **Campuses review new and existing courses for ES requirement based on draft EO in November**
- **In December, campuses finalize GE changes and approve new GE Breadth requirements**
- **In December, campuses certify courses into new GE category and make other adjustments as needed.**
- **Campus Catalogs changed in January to reflect new requirements.**
REMAINING QUESTIONS

- **What process do we use?** ASCSU resolution and informal discussions strongly recommend explicit role of Ethnic Studies Faculty in campus process for development of learning goals and certification of courses into category. We settled this with the creation of an Ethnic Studies Requirement Implementation Committee that works with GE.

- **What do we do with Area D?**
  - Outside GE Graduation Requirement
  - American Institutions into Area C

- **What do we do with Area Z?**
SOCIAL MEDIA POLICY

- Currently with the University Advancement Committee
- Goal is to set standards for Social media accounts formally tied to CSUF
  - Avoid dormant accounts
  - Monitor for content
  - Tie to WWW policy
RE-ENTRY AND CAMPUS CULTURE

• Working with re-entry committees to safely re-open campus at some point
• Making policy changes to assist impacted programs such as internships and service learning
• Concern about losing the sense of campus as a cultural and intellectual center for Orange County
THOUGHTS ON TODAY
WHAT TO EXPECT WHEN YOU’RE ELECTING

• Un fortunately, the polarization of politics has greatly increased the stakes, emotions, etc when it comes to election night

• Rely on valid sources

• Stay safe

• Rely on campus resources from faculty, SA, CAPS, peers, etc for support afterwards
