**BOD 041 20/21 (Aquino-m/Iyer-s) A motion was made and seconded to take the resolution to restructure the committees of the ASI Board of Directors from the table.**

Linares asked if there were any questions on taking the item from the table. There were no objections.

Linares asked if there were any points of discussion on taking the item from the table. There were no points of discussion.

Linares asked if there were any objections to moving to a roll call vote to take the resolution from the table.

**BOD 041 20/21 (Aquino-m/Iyer-s) Roll Call Vote: 17-0-0 The motion to take the resolution to restructure the committees of the ASI Board of Directors from the table was adopted.**

**BOD 043 20/21 (Thomas-m/Murillo-s) A motion was made and seconded to approve ASI Resolution to Restructure the Committees of the ASI Board of Directors.**

Linares yielded to Dr. Dave Edwards to review the resolution.

Dr. Edwards reviewed the resolution, proposed Board organization chart and the draft bylaw changes. He shared that similar concerns have been brought to management over the years by past leaders. The changes being proposed in the resolution are to ensure the students running in the current elections cycle for the TSCBOT have an opportunity to participate in ASI.

- Historical reasoning indicating the need to restructure the organization of the Board.
- Resolved statements review.
- Management will bring updated policies and bylaws to the Board in April for review and approval.
- Board of Directors revised organizaton chart review.
- Bylaws Revisions review of proposed changes. This will be brought to the Board in April.

Linares opened the floor to questions.

- Fernandez asked where the TSC Advisory Council would fall under the Board. Dr. Edwards shared that the details would be determined by the Board in April.
- Fernandez asked would the Advisory Council receive a financial award and what the level would be. Dr. Edwards shared there is a formula to determine the award given to any student leader position.
Murillo asked about the students running for BOT, and how will the elections process work? Linares clarified the question asking how will the general student population will understand the change to the candidacy opportunities for the students running for TSCBOT. Edwards shared that if the resolution passes, ASI staff is ready to reach out to students running for the TSCBOT positions and offer them the options provided in the resolution. Those who choose to run for the TSC advisory council, the position will be clearly explained on the elections page for those voting.

Torres asked about the concerns of students losing opportunities in ASI. Dr. Edwards shared there are ten TSC student trustee positions being eliminated. Through this process additional student positions will be established in the Food Pantry, leadership opportunities through Commissions. Looking to add 5-7 new opportunities. Funds previously allocated will be available to support other programs including increased scholarships and allocating funds to support basic needs.

Reveles asked about how other CSU ASI's operate. Dr. Edwards shared that many other ASI's have changed the leadership model that was popular in the 70's - 90s. Many campuses have empowered their AS Board to manage the responsibilities that were formally managed by sub-boards or union boards.

Hanna asked about the advisory board and what would happen if students running for the BOT chose to run for the advisory board and others for the BOD positions for their college, what would happen to the advisory council. Edwards shared those elected to serve on the advisory council would serve in that capacity for the next year. The position on the advisory council is a one time opportunity for this election term to give students running for BOT an opportunity to serve.

Torres asked for clarification regarding the term of the BOT advisory council. Dr. Edwards confirmed that the council would be during a transition term for the next year.

Linares yielded to Carol McDoniel, Director of Admin to clarify misstatements shared at the last Board meeting. McDoniel reviewed the statements and provided a response.

Linares asked if there were any points of discussion.

- Soria shared that the ASI Strategic Plan goal 2, advancing organizational excellence, speaks to the need to restructure the organization. Urged leaders to see this as not losing positions, just reallocating them. Timing is important and now seems to make the most sense. Heart goes out to those caught in the midst of the change. Urged the Board to consider and approve the resolution.
- Aquino shared that he will abstain his vote, due to his connection with a slate during this election.
- Loeb shared support for the resolution, opportunities for students in a post-pandemic environment will be beneficial for many students. The restructure opens new opportunities for the Board and other students.
- Lynch shared the information shared was enlightening and helpful. Shared timing concerns are difficult, restructuring means moving positions around, newer opportunities, etc. Urged the Board to think about how the restructure will affect the entire student body, not just those running in this current election season.
- Hannawi shared he is on the fence, the current resolution is better than the previous version. Asked if the new version was shared with the Trustees petitioning for candidacy. He asked about the number of students running for the BOT positions. Asked if the advisory positions would be included in the ballot. Dr. Edwards shared the advisory council would be on the ballot and it would be limited to 10 representatives.
- Murillo shared he is in support of the resolution because it is a better opportunity for all students.
- Gillespie shared support for the resolution based on the reallocation of funds toward councils and scholarships. Spoke up about making the changes now since this has been an ongoing topic of concern for past student leaders.
- Mukbel shared the timing with elections, if approved, cannot allow the TSCBOT to operate after the Board approves the restructure. Leaving these changes to a new Board would not bring the history and experience into consideration.
- Hanna shared the Board is super privileged to be able sit in this room and discuss these opportunities. Shared this is not the best way to make the change. Asked the Board to vote no on the resolution.
- Thomas shared support for the resolution and shared the TSCBOT in the past has been filled by representatives from the College of Business. This is not eliminating, but offering alternate opportunities.
- Reveles shared an overview of the financial impact of running/operating BOT. It is a responsibility of the ASI President to present a balanced budget. Shared an overview of the new programs and councils that ASI will be responsible for in the coming year, including SWANA and International Students Scholarships. Shared concerns that ASI has opportunities to support students, student organizations, scholarships and meet the needs of the organization. Surveyed other CSU auxiliary presidents and all respondents shared that the facilities are managed by campus or a committee of the AS Board. Shared support for all students impacted, but clarified, there are new opportunites proposed.
- Wright shared support and indicated that reallocating the funds and workload to the Board will improve opportunities for members. More work can be taken on by the members. Improved involvement, having a voice, heightens the value for the Board. For people running in the current election for BOT, there is never a good time. There is no time like the present.
- Fernandez shared her thought process throughout the process of understanding the restructure. Reached out to other directors and other students. Shared this with the HHD ICC, they too shared concerns with the timing. Shared that the amended resolution including the TSC Advisory Council provides for a transition year for students. Asked that the Board be kept informed about the reallocation of the funds from the BOT. Shared concerns with
the make-up of the BOT and shared that the Board of Directors will need to all participate in the process moving forward.

- Mukbel shared if the change is made, it is picking your battle, those running for BOT, there is a solution for those students. Not passing the resolution is settling for how its always been/status quo. Need to make a change to support the entire student community.
- Torres shared clear support for the resolution. Shared the timing may be an issue, but the options provided achieve better accessibility for more students. The TSC BOT has had a 74% representation from the College of Business, and so conversations have been limited to a select group.

Wright called for the question. Murillo seconded. BOD 042 20/21 Roll Call Vote: 15-1-1 the motion passed,

Linares asked if there were any objections to moving to a roll call vote to approve the motion. There were no objections.

**Decision:** BOD 042 20/21 (Aquino-m/Iyer-s) Roll Call Vote: 13-2-2 The motion to approve the Resolution to Restructure the Committees of the ASI Board of Directors was adopted.

8. **New Business**
   a. **NONE**

9. **Announcements/Member's Privilege**

   Fernandez updated the Board regarding the suspension of the Animal Emphasis Program due to lack of funding. Received an update that the program has been partially funded through the Cares Act, and student advocacy, so the program will continue.

   Cortes shared that there are not enough scholarships for part-time students. Asking for Members to reach out to work on this issue.

   Wright urged the Board to try not to focus on students backgrounds when decisions are made, eliminate the prejudgment.

   Torres thanked the public speakers and the Board in this debate and discussion.

   Appreciate the process and all members being engaged.

   Iyer shared it has been an honor to be part of this discussion. The debate puts things into perspective. Congratulations on the motion being passed. If anyone is interested in being co-sponsor for the International Student Scholarship, reach out.

   Dr. V congratulated the Board on the passing of the resolution. Thanked all who came to the Board of Directors meeting to share concerns and support. Coming upon the year anniversary of the COVID-19 pandemic. Highlighted resources for anyone needing support, CAPS, You At Fullerton, and remember for emergencies, call 911. Anyone feeling anxiety or stress, refer/reach out.

   Mukbel shared that the next Governance Committee will be discussing the Resolution for the Scholarship for International Students. Thanked all for the passion and
communication today.

- Lynch shared that this is likely her last Board meeting, offered a new position and it conflicts with the Board meeting date and time. She thanked the Board and staff. She shared that the skills learned in this process will be helpful as you move forward in your careers and future.
- Reveles congratulated Lynch on her new position. He shared that he will be presenting the recommended budget on Thursday at the Finance Committee. Asked members to reach out if they have any questions or would like to review the proposed budget.
- Week 7 begins next week. Wish all the best of luck on mid-terms. Utilize ASI support and campus support if needed.
- Soria good job on the discussion. ASI Scholarships are due soon, March 5th at 4pm. Please share the information with students at large. Will be reaching out in the coming weeks for the grading process.
- Linares shared she applied for the CSU Student Trustee position and they are moving forward with several students and she will be moving forward in the interview process.

2/3 Vote: 10
Resolution to Restructure the Committees
of the ASI Board of Directors

Sponsor: Maria Linares and Skylar Soria

Co-Sponsors: Adriana Fernandez, Seleena Mukbel, Erick Murillo, Tina Thomas, and Jakob Wright

WHEREAS, The Associated Students Inc. (ASI) is a 501(c)(3) nonprofit organization that operates as an auxiliary organization of California State University, Fullerton and chartered under the California Nonprofit Public Benefit Corporation Law (NPBCL); and

WHEREAS, ASI is governed by ASI Board of Directors, who set policy for the organization, approve all funding allocations to programs and services, and advocate on behalf of student interests on committees and boards, and

WHEREAS, the ASI Board of Directors, in September 1976, established the University Center Governing Board and charged it with developing and adopting operating policies to govern the operation of the Titan Student Union (then named University Center)1; and

WHEREAS, the University Center Governing Board, renamed the Titan Student Union Governing Board in 1992, was subsequently renamed the Titan Student Centers Governing Board in 2010 to reflect the inclusion of the Student Recreation Center; and

WHEREAS, in 2015, in order to more closely align the Titan Student Centers Governing Board within the governance structure of the ASI Board of Directors, it was renamed the Titan Student Centers Board of Trustees; and

WHEREAS, California Nonprofit Public Benefit Corporations Law limits the ability of the corporate Board of Directors to delegate certain actions to a committee or sub-board, preventing the sub-board from acting independently of the Board of Directors2; and

WHEREAS, the model of auxiliary student body organizations using sub-boards to conduct business is a model that was popular in the 1970s to the 1990s, but has been eliminated on CSU campuses in recent years, including San Diego State University3; and

WHEREAS, this limited scope of authority dictates that sub-board actions carry equal weight to those of a standing committee and must be approved by the corporate Board of Directors, which has historically resulted in confusion of roles and responsibilities; and

---

1 Titan Student Union Charter & Bylaws, 1976
2 Corporations Code § 5210 et seq.
3 https://as.sdsu.edu/govt/councils/ASBOD/
WHEREAS, the standing committee structure addresses the need for policy and financial review and fiduciary responsibility; and all action items currently conducted by the sub-board can be added to the standing committee structure without creating undue hardship; and

WHEREAS, the financial and staffing investment necessary to maintain the sub-board structure is higher than that of a committee when comparing the sub-board and committee output, specifically ASI expends approximately $75,000 in direct costs and approximately $30,000-$50,000 in indirect costs for the TSCBOT; and

WHEREAS, the existence of sub-committees under the sub-board creates an additional layer of processes that prolongs Board approval of important action items; and

WHEREAS, the TSC Board of Trustees has experienced challenges with maintaining a full slate of action items to necessitate regular meetings; and

WHEREAS, the TSC Board of Trustees has experienced challenges with member recruitment when vacancies have occurred, maintaining a full slate of trustees, and recurrent position vacancies; therefore let it be

RESOLVED, the Board of Directors shall restructure its standing committees according to the proposed revisions to the bylaws that reassign all previously delegated duties of the TSC Board of Trustees sub-board and sub-committees to Board of Directors standing committees effective June 1, 2021; and let it be further

RESOLVED, according to the proposed revisions to the bylaws, the Board of Directors establishes the Facilities Committee and the Programs Assessment Committee as standing committees of the Board of Directors; and let it be further

RESOLVED, according to the proposed revisions to the bylaws, the Board of Directors redefines the Treasurer position and establishes the Secretary position of the Board of Directors; and let it be further

RESOLVED, the funds previously allocated in the Titan Student Centers budget for Board of Trustees operating expenses, financial awards, and any other cost savings shall be reallocated to the Food Pantry, student scholarships, and/or other student leader financial awards, including the possible creation of new student engagement opportunities as Food Pantry leads, positions on ASI Commissions, etc. per the annual budget allocation process; and let it be further

RESOLVED, the Board of Directors shall temporarily suspend the portion of the Policy Concerning ASI Elections and corresponding bylaws related to regular candidate filing to allow any student that had filed for regular candidacy for the Titan Student Centers Board of Trustees in the Spring 2021 ASI election three options to continue their engagement: 1) they can apply for appointed positions, after the election, 2) they can refile as a regular candidate whose name will
appear on the ballot (non-write-in) for a Board of Directors position in their academic college or 3) they can continue to run, but for a seat on a new TSC advisory council (10 seats maximum, only for those who were on the TSCBOT ballot) which will be grandfathered in for the next year only (the council would meet monthly and directly advise the ASI BOD on student opinions related to the TSU and SRC); candidates must notify the Director of LPD of their choice of these options via email by March 5; and let it be further

**RESOLVED**, the Executive Director will follow established procedure to amend the Bylaws and applicable Policy Statements of the corporation to reflect any necessary changes to the committees, financial awards, and operational necessities and present to the Board of Directors by April 20, 2021, and let it be further

**RESOLVED**, that this Resolution be distributed to the Vice President for Student Affairs, ASI Executive Director, and applicable ASI departments for appropriate action.

Adopted by the Board of Directors of the Associated Students Inc., California State University, Fullerton, on the second day of March in the year two thousand twenty-one.
