a. Discussion: Consultation Process - Student Fee Allocation to the Pollack Library

The Board will discuss providing consultation to the Student Fee Advisory Committee about revisions to the allocation of student fees to the Library.

The Board will discuss providing consultation to the Student Fee Advisory Committee about revisions to the allocation of student fees to the Library.

Chammas yielded the floor to Josh Mitchell, ASI President.

Mitchell reminded the Board that he co-chairs two committees in his role as President. He informed the Board that one of his Committees oversees the allocation of SSI Fees.

Mitchell shared that the SSI Fee is collected annually and distributed to programs with a goal in mind attached to the award.

Mitchell informed the Board that the Pollack Library has been receiving funds to support them in staying open longer hours to support students during finals.
Mitchell said that based on the hours that the library had been open, they noted there was a surplus of funds for the library account of over $400,000.

Mitchell said their goal is to halt the allocation of funds to the library next year in the hopes that President Elect Kelley will follow up on the award allocation and disbursement next semester.

Mitchell recommended the funds be dispersed across the other programs to benefit students that are in need of assistance.

Chammas opened the floor to questions.

Shah asked where the funds would go if the distribution to the library was halted.

Mitchell shared that the decision of where the funds would go is decided by next year's Student Fee Advisory Committee (SFAC).

Shah asked if the $200,000 they are not receiving would sit in an account.

Chammas said that the money would likely be split among the other programs.

Carlsen asked where the money is coming from and confirmed if it was from the Student Success Initiative (SSI) Fee.

Mitchell shared how the funds are collected via SSI Fees and provided information on the Committee that allocates the awarded fees.

Chammas opened the floor to discussion.

Dawson said that these funds were allocated to the library with specific expectations that were not met. Dawson believes it would be the most responsible thing to give the money to other programs that would need it and use it for what it is intended.

Chammas shared that the library has received funding for the past two years which resulted in a two-year surplus. She also feels that this amount not yet allocated would be better spent by a program that could use the funds for the benefit of students.

Samaniego seconded Chammas's statements and recommended using the funds for underfunded programs that were discussed when reviewing the budget.

Mitchell shared that the decision to halt funds was discussed and approved for consideration by SFAC. They are coming to the Board for input as they prepare a response to the Committee.

Chammas reminded members this was just a discussion item to keep members informed on what is going on.

8. **Announcements/Member's Privilege**

   Mitchell thanked the members for all their work and expressed gratitude for being able to serve as their ASI President.
9. **Adjournment**
Chammas, Chair, adjourned the meeting at 3:31 pm.
