Kelley asked for an update on how the change to parking has impacted the Arboretum. Rogers said that a lot of the older guests are not technologically savvy, and that has had quite a bit of negative feedback regarding the changes.

Martinez asked what is the best way to stay updated on tour times and plant sales events. Pongetti said this information is available on their website and they also post to their social media accounts.

Butorac shared that he does feel a lot of appreciation for the Arboretum and thanked them for coming to share.

Furtado responded to the NSM students using the Arboretum and asked if there were certain groups volunteering. He also asked if there has been much fiscal change since Park Mobile program was initiated. Pongetti said that he does not have enough data regarding the financial implications of Park Mobile. Pongetti reiterated that attendance during the week has been lower, but the weekends are still very lively when parking is free. Pongetti said that in regards to NSM, there was not one specific program coming to volunteer, but is open to new volunteer groups.

Castelo asked if he and Pongetti can connect because he is a part of a sustainability program and would like to work together.

Butorac asked if there was an option for people to donate and then receive parking coverage. Pongetti responded that since donations come to them but parking fees are going through campus Parking and Transportation, they cannot really work on something like that alone.
Ruelas asked what the Arboretum is doing about the coyotes spotted recently. Pongetti shared the procedures they have in place. Rogers shared her experience.

Lieberman asked if they can provide some clarification on their website regarding professional photography information. Pongetti said that it is somewhat difficult to regulate, but shared information on the photo permit situation as it pertains to students and the public.

* What made you decide to pursue this position?

At my high school and community college I always felt such a strong community, but transitioning to CSUF, which has a significantly larger student population, I’ve struggled to feel that same sense of community. I think this position will help me feel involved and apart of the CSUF community as well as just a way to help make a difference.

* What do you believe is the role of the students’ voice in decision-making on campus projects and issues?

I believe that the voice of students should always play a major role in decision making on campus. Of course the final decision is not always able to fall solely on students’ voices, but students are what makes a campus, a campus. A lot of time students have creative and innovative ideas as well that can add something special to a project.

* Are you interested in topics such as academic curriculum, campus infrastructure, or program opportunities for students? If so, please elaborate.

Although all these topics are important, I would say I’m interested in more of the campus infrastructure or program opportunities areas. I would love to be involved in planning or creating new infrastructure whether that would better students learning experience as well as creating programs that would make students feel at home within the CSUF community.

* What are you currently involved with on campus?

As a transfer student and this being the first week, I am not in any clubs or organizations yet. I plan on joining multiple though as a means to meet people and enrich my experience at CSUF.

* Students selected to sit on a committee are provided training, leadership and professional development opportunities each month. What is your availability for the fall and spring semester?

For the fall semester, my only current obligation is class, which I have Monday-Thursday around 1:00pm-4:00pm.

* Student Fee Committees

If appointed, each ambassador will serve on one of the three student fee committees. The IRA Committee provides funding for educational experiences and activities directly related to courses offered at CSUF. Associated Students, CSUF, Inc. administers the IRA fee and provides support to faculty, staff, advisors, and students who participate in courses that benefit from this fee. Every year, the IRA Committee accepts funding proposals and submits a proposed budget to the University President under which IRA funds are utilized. Student Fee Advisory Committee (SFAC): The Student Fee Advisory Committee is made up of students, faculty, and staff who review proposals for the establishment or adjustment of certain fees as well as periodically reviewing certain existing fees. Following the fee review process, the committee drafts a report to the University President detailing their findings and any recommendations. Student Success Initiative Advisory Committee (SSIFAC): The Student Success Initiative Fee Advisory Committee was created in 2014, with the implementation of the SSI Fee. This committee is made up of students, faculty, and staff who work to ensure accountability and transparency are occurring with SSI funds by reviewing quarterly presentations from SSI-funded areas. Please rank your interest for one of the three student fee committees below:

Instructionally Related Activities Fee Committee : First Choice
Student Fee Advisory Committee : Second Choice
Student Success Fee Advisory Committee : Third Choice

I have read California Education Code Sections 5230, 5233, 89906, 89907, 89908 and 89909, and I am not involved financially, through employment or family connections, with any business, firm, vendor, and/or service bureau doing business with this corporation.

Should I find in some future contractual matter before the Board of Directors that there may be the potential of a conflict of interest, I shall disclose that potential conflict and abstain from voting, as prescribed in Education Code, Section 89907.

This Non-Conflict of Interest Statement shall be submitted at the time a member assumes their official duties. Statements shall be retained in the ASI Administrative Office.

**b. Ethics**

**Introduction**

This code will serve as a minimum guide for ethical conduct and provide guidance and direction for all officers, directors, employees, and volunteers of ASI (collectively referred to herein as members or member) in the performance of their duties or in any context in which they are perceived as representing ASI.

**Laws and Regulations**

All members must comply with applicable laws and regulations governing the operation of ASI. This includes, but is not limited to, federal, state, county and municipal laws, the California Code of Regulations, the California Education Code, campus regulations of California State University Fullerton, and the Office of the Chancellor, California State University.

**Conflict of Interest**

Members must avoid conflicts of interest. Business decisions must be made objectively on the basis of price, quality, service and other competitive practices. To avoid any potential influence from existing or potential vendors and customers, members are prohibited from accepting gifts, from vendors, suppliers, and customers, of more than token value.

Members transacting business or entering into contracts on behalf of ASI must not have any interest, financial or personal, in those transactions or contracts. Should a member have an interest in an
organization with who the ASI transacts business, the member must recuse themselves from any negotiation, authorization, or approval of such transactions.

In addition, ASI Executive Officers and members of ASI governing boards must comply with conflict of interest regulations as defined in ASI Policy.

Members must not be employed outside ASI where the outside employment impairs their ability to conduct ASI business because of conflicts of interests and competing interests.

**Anti-discrimination Policy**

Members must not take actions that discriminate against anyone on an unlawful basis, including gender, race, religion, color, national origin, sexual orientation, medical condition, age, physical or mental disability, marital status or family leave status.

**Public Disclosures**

If members in the course of their duties are called to make public disclosures to any governmental agency, under no circumstances can statements be made that are untrue, or omit or misstate material facts.

If public disclosures are made to the press, members must seek to insure that the statements are clear and understandable and not misleading.

All official business of ASI done on a personal device may be subject to subpoena.

**Confidentiality**

Members must protect ASI confidential information and not divulge such to anyone except on a need-to-know basis. Members are expected to keep in confidence such information that would be considered confidential even if not clearly marked. This would include, but not be limited to, personal addresses, social security or other identification numbers, payroll records, performance evaluations, and/or personal information. All members must refrain from using personal devices to relay confidential information.

**Respect**

Members must work effectively with coworkers, customers and others by sharing ideas in constructive and positive manner; listening to and objectively considering ideas and suggestions from others, keeping commitments, keeping others informed of work progress, timetables and issues, addressing problems and issues constructively to find mutually acceptable and practical business solutions, addressing others by name, title or other respectful identifier and respecting the diversity of our work force in actions, words and deeds. Members must be able to work effectively within a complex organizational setting and a multi-cultural campus environment. Members must be able to establish and maintain effective, cooperative, and harmonious relationships with students, staff, co-workers, faculty, alumni and the general public.

**Fair Dealing**

Behind any code of ethics is the concept of fair dealing. As a guiding principle, members must respect and deal fairly with customers, suppliers, vendors, contractors, co-workers, and the general public. In the course of conducting ASI business, members must not take advantage of others by misrepresentation, concealment, misuse of confidential and privileged information, or any other practice of unfair dealing.

Members must not disclose a vendor’s pricing or business activities to competitors. In the course of business, all members must refrain from any practice that could constitute unfair dealing. At all times, members must be accurate and truthful in all their dealings with vendors, suppliers, and customers and be careful to accurately represent the services and products of ASI.
c. **Fraud**

ASI policy on fraud is established to prepare procedures that will protect ASI, its employees, and assets against losses stemming from illegal activities. ASI has a zero tolerance policy regarding such activities. ASI forbids the commission of any illegal activity by an officer, director, employee, or volunteer of ASI (collectively referred to herein as members or member).

The management of ASI is responsible for the establishment of procedures designed to prevent and detect fraudulent activity, including but not limited to fraud, defalcation, misappropriation, forgery, and corruption.

**Reporting Responsibility**

Each member of the management team will be familiar with the types of improprieties that might occur within their area of responsibility, and be alert for any indication of irregularity.

In the event a member detects or suspects fraudulent activity, that member must immediately report this to the Executive Director. The Executive Director will inform the ASI Board of Directors and the CSUF Director of Internal Auditing within twelve hours once the incident is brought to their attention.

In the event a member detects or suspects fraudulent activity on the part of the Executive Director, that member must immediately report this to the University Risk Manager.

Any reprisal against any individual reporting violations of this policy is prohibited. Any cover-up of a suspected incidence or retaliation in any form against witnesses is also prohibited.

**Investigating Suspected Fraud**

The Executive Director or designee in an investigation of fraud will have:

- Free and unrestricted access to all ASI records and premises, whether owned or rented
- The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any individual who might use or have custody of any such items or facilities when it is within the scope of the investigation.

Any information received by ASI in the course of an investigation will be treated in confidentiality. As such, any employee should notify the Executive Director (or CSU Fullerton Risk Manager, in the case of suspected fraudulent activity by the Executive Director) and not engage a suspected individual or conduct a personal investigation.

Information discovered during the course of an investigation will be disclosed or discussed only with individuals on a need-to-know basis. Confidentiality must be enforced to avoid damaging the reputations of persons under suspicion who are found innocent of wrongdoing.

No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

Upon completion of the investigation, the Executive Director will file their report with the CSU Fullerton Director of Internal Auditing and the ASI Board of Directors.

Decision to prosecute or refer the matter to law enforcement officials will be made in conjunction with legal counsel, ASI Executive Director, and the CSU Fullerton Director of Internal Auditing.

**Termination**
If an investigation results in a recommendation to terminate the employment of an individual, the recommendation will be reviewed for approval by ASI Human Resources and legal counsel. The policy will be reviewed annually and revised as needed.

d. **Whistleblower Protection**
ASI policies on Ethics and Fraud require directors, officers, employees and volunteers (members) to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. All members of the organization must practice honesty and integrity in fulfilling their responsibilities.

**Reporting Responsibility**
It is the responsibility of all members to comply with the policies and to report violations or suspected violations in accordance with this Whistleblower Policy. ASI encourages initial reporting to occur internally to allow for expeditious resolution of all such matters and to minimize the effects of improper actions.

**Reporting Violations**
The Whistleblower Policy addresses the organization’s open-door policy and suggests that members share their questions, concerns, suggestions, or complaints with someone who can address them properly. In most cases, a member’s supervisor is in the best position to address an area of concern. However, if the member is not comfortable speaking with their supervisor or is not satisfied with their supervisor’s response, then they must speak to the Director of Human Resources. The supervisor and/or Director, Human Resources is required to report this notification to the Executive Director upon receipt. The Executive Director or designee will conduct an investigation of the reported concern. In the event that a concern involves fraud, then it must be directly reported to the Executive Director who has the responsibility to investigate all reported violations of policies.

**Handling of Reported Violations**
The Executive Director will notify the sender and acknowledge receipt of the reported violation or suspected violation within one business day. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation. If the concern involves an incident of suspected fraud, defalcation, or other irregularity concerning corporate assets, the Executive Director will notify the Chair of the Audit Committee, Chair of the Board of Directors, and the CSUU Fullerton Director of Internal Audit in writing within twelve hours of receipt and work with the ASI Audit Committee until such matter is resolved. All concerns involving the Executive Director shall be directly reported to the CSU Fullerton Risk Manager.

**No Retaliation**
No member, who in good faith reports a violation of the policies, shall suffer harassment, retaliation, or adverse employment consequence. A member who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable members to raise serious concerns within the organization prior to seeking resolution outside the organization.

**Acting in Good Faith**
Anyone filing a complaint concerning a violation or suspected violation of the policies must be acting in good faith and have reasonable grounds for believing the information disclosed indicated a violation of the Policies. Any allegations that prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

**Confidentiality**
Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

All items on the agenda, including those to be discussed in closed session, shall contain a brief general description (not to
exceed twenty (20) words) of the item. Items with a financial component shall also include the amount and source of funds involved. The agenda shall specify the time, date, and location of the meeting, and shall be posted in an area of the campus which is publicly accessible twenty-four hours per day. Nothing in this policy is to be interpreted as prohibiting the Board from reordering the agenda at the time of the meeting.

Public Notice
Public notice of regular meetings must consist of the meeting’s agenda being posted in locations that are freely accessible to members of the public (pursuant to Education Code Section 89305.5). In addition, it shall be sent electronically and included on the ASI Website.

7. PUBLIC SPEAKING TIME
The Public Speaking Time is hereby established as a forum, which enables the Board of Directors and the standing committees to receive feedback from their constituencies, and allows members of the campus community to update the Board of Directors on their campus concerns, and is in compliance with the Gloria Romero Open Meetings Act (Education Code Sections 89305 to 89307.4).

Public Speaking Time shall consist of up to a total of fifteen (15) minutes to be divided equally among all public speakers. Those wishing to make use of this time may speak on any agenda item or other topic affecting higher education at the campus or statewide level during the regular Board of Directors’ and Committee meetings. Public Speaking Time shall be scheduled before any business items are considered. Public Speaking Time may be extended by a ruling of the Chair of the Board of Directors/Committee or by an action of the Board of Directors/Committee. Public Speaking Time is set aside for the use of members of the campus community alone, except by special petition to the Chair. In no case shall such responses exceed one minute in length, except by special petition to the Chair. For special meetings of the Board of Directors or Committees, a Public Speaking Time shall also be provided, not to exceed fifteen minutes (extendable by ruling of the Chair or action of the Board of Directors/Committee). A consent calendar may be presented by the board or committee chair at the beginning of a meeting. Items may be removed from the consent agenda on the request of any one member. Items not removed are adopted by general consent without debate. Removed items will be taken upconsidered during new business. Items up for consideration on the consent calendar must be provided in advance of the meeting. The chair determines whether an item belongs on the consent calendar.

Process.
Items up for consideration on the consent calendar must be provided in advance and distributed with the agenda package in sufficient time to be read by all members prior to the meeting. The chair determines whether an item belongs on the consent agenda. The chair or designated staff prepares a numbered list of the consent items and distributes it along with the meeting agenda. At the beginning of the meeting the chair asks members which items they wish to remove from the consent calendar to be discussed individually. If any member requests that an item be removed from the consent calendar, it must be removed and added to new business. Members may request that an item be removed for any reason. They may wish, for example, to discuss the item, to ask questions about the item, or to hold a vote on the item. When there are no more items to be removed, the Chair reads out the numbers of the remaining consent items. Then the Chair states: “If there is no objection, these items will be adopted.” After pausing for any objections, the chair states “As there are no objections, these items are adopted.” It is not necessary to ask for a show of hands. When preparing the minutes, the Recording Secretary includes the full text of the items that were adopted as part of the consent calendar.

No other items shall be considered in the closed meeting. Immediately after any closed meeting, the Board of Directors or committee, shall reconvene into a public regular meeting prior to adjournment and make disclosure of what actions, if any, were taken in the closed meeting.

10. SPECIAL MEETINGS

The need for such action must have come to the attention of the Board of Directors after the agenda for the meeting was posted. In the event of an emergency situation, an emergency meeting of the Board of Directors may also be called.

A minimum of one hours’ notice shall be provided before such a meeting is called to order. The criteria for when such a meeting may be called shall be identical to that of part 1(a) above, and it must be called by petition of a majority of the membership of the Board of Directors. If any forms of communication are functioning, the Chair (or designee) shall attempt to contact every member of the Board of Directors, using the most recent contact list available, of the meeting time, location, and topic. The Chair (or designee) shall also perform their due diligence to inform the public, in any way possible, of the meeting.

If no forms of communication are functioning, this subsection is waived, and all persons shall instead be notified as soon as possible after the meeting, of the purpose and action taken (if any) at the meeting. After any emergency meeting, the minutes of the meeting shall be publicly posted for a minimum of ten days. Included in the minutes shall be a list of the persons and organizations that the Chair (or designee) successfully notified, or attempted to notify. Also, a copy of actions taken (if any) and roll call vote(s) taken shall be included. • Amplified sound, such as speakers, or other noise makers
• Props, confetti, streamers, or other decorations or adornments
• Weapons or items that could be used to inflict physical harm
• Other items already prohibited under law or university or ASI policy

In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible, and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the Chair of the meeting may recess the meeting and order the meeting room cleared and/or the teleconference temporarily suspended. Campus input on Cal-GETC

For ASCSU
• The California General Education Transfer Curriculum (Cal-GETC)
  • This is the single pathway (package) of LOWER DIVISION G.E. that community college students will take to transfer to CSU or UC
  • Will take effect in the 2025-2026 academic year
Mandated by California Legislature

• AB 928: The Student Transfer Achievement Reform Act of 2021
  • Lawmakers said transfer process was “unnecessarily complex, confusing, and difficult for community college students”
  • The legislation calls for a committee of faculty from the academic senates from CCs, UC, and CSU to come up with one plan for lower-division GE requirements
    • If faculty fail to do so, the chancellors of each system are required to establish the pathway by December 2023
This Cal-GETC

- Cal-GETC proposal is result of the negotiations among the Intersegmental Committee of Academic Senates (ICAS)
  - ICAS is made up of faculty representatives from the community colleges, the UCs, and the CSUs
- An ICAS Special Committee worked in 2021-2022 to come up with an agreement
  - Solicited feedback from CCs, UCs, CSUs
  - Debated several options and patterns
  - Came to unanimous consensus on plan
A summary of the Cal-GETC plan

• 11 courses/34 units of lower division general education
  • 9 units: English Composition /Critical Thinking & Composition / Oral Communication
  • 3 units: Mathematical Concepts & Quantitative Reasoning
  • 6 units: Arts & Humanities
  • 6 units: Social & Behavioral Sciences
  • 7 units: Physical & Biological Sciences
  • 3 units: Ethnic Studies

What Cal-GETC is not

It is not the lower division G.E. pathway for CSU native students

At this point in time, the CSU Chancellor is NOT recommending a single GE pathway for native students

Each CSU campus has its own lower division G.E. requirements (limited to 39 units) and its own upper division requirements
Our options

• We are being asked to opine on it to ASCSU
  1. Support the ICAS Cal-GETC proposal (June 2022)
  2. Recommend specific changes that satisfy the AB 938 requirement
  3. Unable to come to a consensus

• Failure to find consensus authorizes the three Chancellors to adopt it or another version of lower division G.E. pathway for community colleges
Executive Committee recommended

Option #1: Support the ICAS Cal-GETC proposal

Approve Cal-GETC as the uniform, single G.E. path for Community Colleges to facilitate transfers to CSU or UC

- Formation of campus G.E. Task Force 2.1 to:
  a. Address equity and access in G.E. for students across colleges
  b. Recommend updates to upper division CSUF G.E.
  c. Consider whether to adopt a single lower division G.E. Path
Academic Senate CSU voted 10.13.22

Unanimously approved Cal GETC
• Served on Search Committee for Police Chief

• Serving on Review Committee for Scott Jewitt $1M grant

• Revising the “Civility” UPS to a Community Expectations UPS

• Discussing how to involve more students in searches for Tenure track faculty

Hi friends!

Nothing much from me, but just a reminder to please attend your committee meetings. If you cannot make it one day, please make sure you communicate with the Board leadership team. Also, ASI programming is hosting a pumpkin patch on October 26. I encourage you all to attend but also to consider volunteering. Events are opportunities for us to show our support for our programming team. If you're interested in volunteering, please let me know.

Best,
