Torres informed the Council that he found an online flyer promoting two candidates running and campaigning together which is a violation of ASI Elections Policy.

The candidates were invited to the podium to speak to the complaint. The candidates indicated that they thought that they could campaign on the same team. They asked an Elections Coordinator who confirmed they could. Once they were informed it was a violation, they removed the pictures.

Hoang opened the floor to questions. There were no questions.

Hoang opened the floor to discussion.

Halisi shared she was at fault for giving incorrect information when asked about two candidates posting a flyer together online. She shared that she learned at the first EJC meeting that questions should be referred to the RFI form which is available online. All subsequent questions are now referred accordingly.

Kurtz shared the issue is pretty straight forward and based on the situation the action was a Class B violation.

Aguirre shared that she understands miscommunication, however in this instance there clearly was a violation.

This complaint is against: A President and/or Vice President Candidate

Complaint Description—Please include a detailed summary of your complaint including: Who you believe committed the violation, what act(s) you believe were committed that were in violation, where you believe the act(s) were committed, when you believe the act(s) were committed, and why you believe this is a violation. Please include specific names, dates, times, locations, etc. It is also recommended that you indicate the area(s) of the ASI Bylaws that have been violated.

Hello,

My complaint is a minor one but it is right to address it. As a student leader and president of many clubs, I have seen flyers denied or not post in time because of missing stamp approval from SLL. As I walked through the campus today (3–1–20), I saw advertisements for "Marcus and Sky" for ASI president and Vice Present without a stamp of approval from SLL. I don't think it is fair that they are able to post these up while other clubs don't get to or get their flyers taken down. Just because they are going for ASI president and vp does not make them more special or have more privileges. As I went to check the elections policy, under violation C it said to turn to SLL posting policy for elections and it stated
on SLL site that anything not stamped will be taken down. And that anything posted needed approval prior. Attached is the photo of the candidates along with the policies.

Please attach any documents and/or photos relevant and/or supporting of your complaint. Combine multiple documents and/or photos into one file prior to upload.
