a. **Discussion: ASI Bylaws**

The Committee will discuss and recommend changes to ASI Bylaws concerning Titan Student Centers Board of Trustees.

Rix yielded to Kurtz to review the ASI Bylaws.

Kurtz stated that he will be attending the Governance Committee meeting tomorrow.

Kurtz stated that many of the changes were grammatical or reworking of the text.

Article V, Section 2, Clause 1a.

TSC Board of Trustees is to review and recommend: (1) annual capital expenditures; (2) annual budget associated with Titan Student Centers programs; (3) assignment of club or organization space; (4) user fees; (5) facility operating hours; (6) operating procedures.

Kurtz stated that the recommended change would strike "review and recommend" and replace it with "develop and adopt".

Fehr stated that the Board of Trustees (BOT) is a sub-committee of the Board of Directors (BOD). They have the authority from the BOD for operating procedures. The items (1), (2), (4) and (5) are related to budget allocation. The BOD is the only body that can approve the expenditure of funds. Changing the language would not be congruent and would impart power onto the BOT where they do not have the authority.

Kurtz stated that there is a system in place for checks and balances for these tasks that the BOT already does. Changing this language would help to define the role of the BOT.

Tapper stated that the BOT is responsible for developing the TSC budget, but the BOT does not have

the ability to approve this budget. All actions from the BOT has to be approved by the BOD,

Kurtz stated that the BOD is allowed to give the BOT the authority to approve these items listed.

Fehr stated that the BOT can be delegated certain items, but they cannot adopt any changes without the BOD's approval.

Rix stated that this clause may need more research and could be addressed at a later time.

Evans suggested having clause 1a to list the items that need BOD's approval and clause 1b could list the items that BOT would have the authority to approve.

Fehr stated that it is the responsibility for the Governance Committee to make the final changes to the Bylaws.

Carlsen stated that the duties of the BOT were removed from the last TSC Bylaws before they were made part of the ASI Bylaws.

Kurtz asked if there were any items that could be added to the Bylaws.

Carlsen stated that the BOT were involved in the selection of certain management positions.

Fehr stated that when there are positions available that report directly to the BOT, the Trustees are included in the search committee.

Carlsen stated that in the old Bylaws the BOT participated in the search process for the Associate Executive Director and Titan Recreation Director.

Kurtz asked where the language should be added.

Carlsen suggested adding a Clause 2 under Section 2 to read as follows:

"The TSC Board of Trustees participates in the selection of the Associate Executive Director and Titan Recreation Director."

Evans stated that the new Clause 2 should also include the Executive Director and TSU Associate Director.

The members agreed. The two additional positions were added to the clause.

Carlsen stated that the Bylaws do not include the responsibility of the BOT members to have weekly office hours.

Kurtz stated that the duties are included in the Policy Concerning Titan Student Centers Board of Trustees Operations, under Standards, item 3, TSC BOT Members, Additional Trustee Duties.

Carlsen asked what the reasoning was that the ASI President and ASI Board of Directors Chair on the BOT as voting members and not non-voting liaisons.

Kurtz stated that it should be reviewed. The ASI President does not have a voting position on the BOD. He will ask for the reasons at the Governance Committee meeting.

Evans stated that the Associate Director, Marketing & Design should be on the BOT as a non-voting member. This person no longer attends the meetings.

Kurtz stated that if they add the Associate Director, Marketing & Design, they should also add the SRC Director and TSU Associate Director.

The members agreed to add the positions to Clause 4. The clause would read as follows:

"The ASI Associate Executive Director, Director of Titan Recreation, Associate Director of Titan Student Union, and Associate Director of Marketing and Communications serve as the standing advisors, are not members of the Board of Trustees, and does not have voting privileges."

Fehr asked Kurtz what the plan was at tomorrow's Governance Committee.

Kurtz stated that the Governance Committee will discuss the ASI Bylaws. He will ask for clarifications on items that were brought up at today's meeting. He will ask that the Governance Committee does not vote on any changes until the Facilities Committee and the Board of Trustees can give their input first.

IX. Announcements/Member's Privilege

Kurtz stated that any members that are interested in being part of the scholarship application grading can contact him. It is a great process to be part of.

Evans stated that the baseball team has their home opener this weekend.
