Linares stated McDoniel would provide a presentation on the changes to policy. Linares yielded to McDoniel.
McDoniel stated that the changes to policy were taken from previous discussion items.

McDoniel highlighted the following:

1) Red, green or struck items are the changes on the policy.
2) Underlined context represents information being moved throughout the document.
3) Struck through means removed.
4) Red text represents added text.
5) Subheadings were added to make information clear.
6) A lot of the changes was taking information out of the bylaws and adding it to the policy.
7) Bylaws are supposed to be broad and not changed too often. The process is being streamlined so the changes can be made to the policy and not the bylaws.
8) Red underlined text was not changed they were added from the bylaws to the policy.
9) McDoniel clarified that context was not changed.
10) Excused absence, appointments, attendance, contracts were main subheadings that were moved from the bylaws to the policy.
11) Director membership was relocated in the policy in order to make more sense.
12) McDoniel clarified that the Finance & Governance committee meeting times were stated as 1:15-3:45 to allow flexibility.
13) Added the Board Leadership Review Committee to the policy. All the language is from the bylaws.

3) Green markups means the information was moved within the bylaws.

4) Committee details was removed from bylaws and placed into the policy because bylaws are to establish the committee. McDoniel clarified that all stricken information is in the Policy concerning Board of Directors Operations.

5) The section Conduct is a new section to be more clear to all students. Clause 2 was added to reference they will be held accountable for conduct and responsibilities of BOD.

c. Discussion: Bylaws Article V

Linares moved to review page 19.

Linares moved to discuss how to hold the ASI President accountable on providing an update on passed Resolutions.

Sherman agrees to add a timeline for the President.

Linares asked for clarification on the following clause:
_The Vice President or designee shall be responsible for the recognition of student leaders within ASI._

McDoniel stated the clause is purposely ambiguous. It is up to the Vice President to decide how to recognize student leaders. Traditionally it has been the ASI Banquet at the end of the year.

Linares yielded to Rodriguez.

Rodriguez asked if it would be possible to implement accountability among the Executive Officers by asking them to submit a refection to the President. This accountability process would only be between the Executive Officers and the President.

Linares, are you referring to something similar as to the Board Leadership Review Committee?

Rodriguez, yes similar but not the same process.
McDoniel informed the committee that they would be deciding if the President has voting powers at the Board of Directors meetings. The president must have a vote if his position is president & CEO if the position is only president then that position would not be able to vote.

Rodriguez suggested to add a clause regarding accountability.

Mahamuni asked McDoniel for clarification on the clause below:

_In the event of the simultaneous vacancy in the position of President and Vice President, the Chair of the Board of Directors shall automatically assume the office of President and appoint a Vice President subject to majority ASI board of Directors approval._

McDoniel informed the committee of ASI succession plan.

The Board of Directors chair would become President if President & Vice President were unable to serve their positions. Vice Chair/Secretary would become Chair in the event that chair position became vacant.

Sherman, is there still a Sunday Series Coordinator on ASIP?

McDoniel stated that she would have to contact the Leader & Program Development to assure that position is still existing. McDoniel stated that position information would have to be in policy and not bylaws.

Discussion ensued.
Refer to documentation for additional bylaw information.
