STANDARDS

1. ELECTIONS
Each year, the CSU Fullerton’s Student Body shall elect the ASI President, ASI Vice President, ASI Board of Directors, and TSC Board of Trustees for the upcoming academic year. The elections shall be held Tuesday through Wednesday two-three weeks prior to Spring Recess.
Public notice of an election must be given to student body no later than ten (10) legal days prior to the election. The notice shall specify the place(s), the legal day(s), the hours of such elections, and the general nature of the issue(s) to be decided.

The ASI President and Vice President shall run as a candidate team. Individual candidates for either office shall not be allowed. ASI Board of Director must run in one academic college which they are enrolled.

No member of the ASI Executive Officers, ASI Board of Directors, or TSC Board of Trustees shall serve in any other position that receives a financial award or scholarship.

2. VOTING PROCEDURES

Voting will take place the Tuesday through Wednesday two weeks prior to Spring Recess. Voting will open at 8:00 AM PST on the first day and close at 8:00 PM PST on the final day.

Candidates are required to use their name on record with CSU Fullerton on the ballot. The order of candidates appearing on the ballot will be in alphabetical order.

Each student shall be required to authenticate their eligibility to vote by entering their CSU Fullerton credentials on the voting website. A student will vote on a single ballot, in most to least preferred: ASI President and Vice President, ASI Board of Directors, and TSC Board of Trustees.

When voting for the ASI Board of Directors, the student will be voting in the academic college which they are enrolled. If a student is undeclared, they may choose which one academic college to vote in. If a student has multiple declared majors in different academic colleges they shall choose one academic college that they are enrolled to vote in. If a student is voting for a write-in candidate their name must be spelled correctly, as CSU Fullerton has on record, for the vote to count.

3. DETERMINING WINNERS

The Instant Run-Off Voting method will be used to count the votes. On the ballot, voters will rank candidate teams, Director candidates, and Trustees candidates in order of most preferred to least preferred. The Instant Run-Off Voting method simulates an election with multiple run off rounds until a candidate receives majority.

The winners will be the candidate or candidate team who receives a majority of votes in the regular election. A majority shall be defined as 50% plus one individual vote of the total votes cast.

President and Vice President:

- If no candidate team receives a majority of votes in the regular election, the candidate team with the fewest votes shall be eliminated and an Instant Run-Off will occur, as defined by the Instant-Runoff Voting method.
- The eliminated candidate team’s votes are transferred to the other candidate team(s), depending on each voter’s preference as stated on their ballot. An Instant Run-Off election will be simulated with the new vote totals. This process will repeat until a candidate team receives a majority of votes.

ASI Board of Directors:

- The winners shall be the two (2) candidates from each college who receive the most votes.
- If two candidates tie for second place, the candidate(s) with the fewest votes shall be eliminated
and as Instant Run-Off will occur, as defined by the Instant-Runoff Voting method.

- The eliminated candidate(s) votes are transferred to the other candidates, excluding the candidate that received the highest vote total, depending on each individual voter’s preference as stated on their ballot. The winner shall be determined by a simulated election based on the new voting totals.

Titan Student Centers Board of Trustees:

- The winners shall be the ten (10) candidates who receive the most votes.
- If multiple candidates tie for tenth place, the candidate(s) with the fewest votes shall be eliminated and an instant runoff will occur, as defined by the Instant Run-Off Voting method.
- The eliminated candidate’s votes are transferred to the other candidates, depending on each individual voter’s preference as stated on their ballot. The winners shall be determined by a simulated election based on the new voting totals.

If no candidate or candidate team receives a majority of votes in the regular election, the candidate or candidate team with the fewest votes shall be eliminated and an Instant Run-Off will occur. The eliminated candidate or candidate team’s votes are transferred to the other depending on each voter’s preference as stated on their ballot. A Run-Off election will be simulated with the new vote totals. This process will repeat until a candidate or candidate team receives a majority of votes.

At the close of the elections the results will be counted. If there are no pending complaints or appeals, the Elections Director will submit the results to be certified within twenty-four (24) hours. The certification process will include review by the Elections Director, Executive Director or designee, and the Vice President of Student Affairs or designee. Results are only certified after any complaints have been heard by the Elections Judicial Council and appeals have been heard by the Board of Directors. Once certified, the results shall be released to the public.
