REPORTS

• Chair

Reveles welcomed everyone back to the Committee. He reminded the members of the importance of each voice on the Committee. There would be a speakers list made during the meeting. Members should raise their virtual hand to be recognized to speak.

• Representatives from Provost/Vice President for Academic Affairs and Vice President for Student Affairs

Ward thanked the members for their consideration on the discussion regarding the governance document and funding deliberation process. There have been some revisions made in partnership and in consideration of the students.

Stang stated that there were a few key changes to the Committee’s recommendations. The changes were made to focus on the students. The Committee Chair will now be a voting member, so the student voice has one more vote. They have also added a term limit for faculty members. There is a need to rotate faculty members. The governance document has been approved with these changes. There were also changes made to the funding deliberation process. The recommended funding process was confusing. There have been some changes made to the section. There is still a request that this year’s Committee give the next Committee to improve the process.
to make everything as clear and transparent as possible. The changes made will be used for the budget deliberations. Both Vice Presidents wanted to thank the members for all of their work.

Bruschke stated that he is not opposed to the faculty term limits but had a concern that a lot of experience would be taken out of the room.

Stang stated that she would let the Vice Presidents know about the concern.
