The Board of Trustees will consider approving a proposal to recommend an amendment to ASI Policy Concerning Student Leader Financial Awards to increase the TSC Vice Chairs financial award from 15% to 22.5%.

BOT 013 19/20 (Operations) A motion was brought to the Board of Trustees from the Operations Committee to approve a proposal to recommend an amendment to ASI Policy Concerning Student Leader Financial Awards to increase the TSC Vice Chairs financial award from 15% to 22.5%.

Kurtz reviewed the proposal and policy change. He indicated that if approved by the BOT, the proposal will be submitted to the Board of Directors for consideration.

Kurtz asked if there were any questions.

Masoud asked what the 15% is based on. Kurtz confirmed it is based on attendance. Wiley clarified that the policy uses an average cost of attendance to determine the primary factor, and percentages are calculated from there.

Sadat asked for a breakdown of duties for the Vice Chairs. Kurtz shared a brief overview of the regular and additional duties taken on by the two committees after the third committee was removed.

Sharma provided additional insight into the duties handled by the two Vice Chairs.

Kurtz opened the floor to discussion.

Evans shared thoughts about his time as a Vice Chair and the work that is required by the Vice Chair positions. He shared an overview of his vision of the TSC Board leadership structure to allow the Chair to focus on big picture ASI work, and the Vice Chairs will continue to keep the projects, programs, and facilities work moving forward. The positions are very time intensive. The financial award
adjustment is warranted and quantifies the work that is required by the Vice Chairs.

Kurtz asked if there were any objections to moving into a roll call vote on the Proposal to Recommend an Amendment to ASI Policy Concerning Student Leader Financial Awards. There were no objections.

PRESENTED TO: TSCBOT Operations Committee

MEETING DATE: March 4th, 2020

PRESENTED BY: Douglas Kurtz, TSCBOT Chair
Prashant Sharma, TSCBOT Vice Chair Operations

BACKGROUND:
In years past the Titan Student Centers Board of Trustees have had three Vice Chairs. In the spring of 2018 the Board decided to restructure the leadership team from three Vice Chairs to two Vice Chairs. At the time of the restructuring the financial awards for the Vice Chairs remained the same. Before the restructure all three Vice Chairs received a financial award of 15%. After the restructure, and currently, the two Vice Chairs still receive 15%.

PROPOSAL:
To officially recommend ASI Policy Concerning Student Leader Financial Awards to the Board of Directors to increase the TSCBOT Vice Chair financial award from 15% to 22.5%.

RATIONALE:
The responsibilities of the three Vice Chairs have been taken on by the two current Vice Chairs. The duties and responsibilities of the Vice Chairs needs to be reflected in the financial award. This will not affect the current Vice Chairs, it will take effect at the start of the next term (2020-2021).

IMPACT:
The TSCBOT Vice Chairs in the 2020-2021 term and thereafter will receive a financial award of 22.5%. See attached ASI Policy Concerning Student Leader Financial Awards.

BUDGET IMPACT:
The budget increase in financial awards will be an increase of $4,036.00 from 2019-2020 to 2020-2021. The exact amount will change from year to year as the overall cost of attendance changes.

IMPLEMENTATION TIMELINE:
This will take effect at the start of the 2020-2021 term on June 1st, 2020.
